SUBJECT: Executive Secretary

It is my unpleasant duty to inform you that our Executive Secretary, Dr. Gerald C. Henney, passed away the evening of February 10.

I know everyone is aware of the tremendous loss the Fraternity has received due to his death.

Brother Henney's sincere work in our Fraternity will never be forgotten.

Dr. Henney will be buried Monday, February 15.

I realize that you will receive this notice late. Please accept my apology. The time factor made it impossible for us to inform the chapters any earlier.

Please remember the "Brother Henney Memorial Fund".
