Education Program Sponsors Needed

Bird Study Program:
VAAS provides a trained instructor to participating 2nd grade classes in Venice, Englewood, North Port, and Nokomis. The course includes: instruction in bird identification; the inter-connectivity of birds and other wildlife; the importance of preserving habitat; and the proper use of binoculars with an outdoor excursion at the school to apply what they have learned. Each course ends with a field trip day teaching proper birding etiquette and practical experience using spotting scopes and field guides.

64 classes need sponsorships!
Sponsorship per class: $120.00 (Partial sponsorships are welcome!)

Field Trip Sponsors:
Last year, some of our classes could not provide transportation to the field trip locations for our Bird Study Program. We expect 2013/14 classrooms to have even a greater need than last year. Please consider a sponsorship donation to help these classes include the field trip day as a conclusion to their bird study course!

Field Trip Sponsorship: $50.00 (Partial sponsorships are welcome!)

Your contribution is greatly appreciated!
