Dear Friends and Supporters of **MAKE MUSIC NOLA**, 

2018/19 was an incredible year for the program. Our move to the Bell Artspace Campus and the introduction of our new Saturday Classes was a great opportunity for our string programs. We were able to introduce music theory classes, have weekly orchestra and chamber music rehearsals, and start our first ever fiddle class! Having a space to bring all of our students together on Saturdays also allowed MMN to hold our first ever "Orchestra Day!" in Armstrong Park. This year, we were able to have our students and staff travel together to Archipelago Musical Leadership Academy in Traverse City, MI. Everyone learned a lot from their travels and interactions with students and music educators from all over the country. 2018/19 was also a great year for student performances. Our students were invited to perform at the New Museum's IdeasCity Festival, the Children's Museum, and many other great events! We can't wait to see what the next year has in store!

*Sincerely*, Laura Patterson, Executive Director

The 2018/19 school year was a phenomenal year for Make Music NOLA. Many thanks to our friends at Artspace for their partnership, which allowed us to not only to expand our programs, but to double our impact through the addition of our orchestra, fiddle class, and music theory classes. We are eternally grateful to the MMN teachers and our supporters for making this happen. Last year also brought the addition of four new members to our board. It is my pleasure to welcome Ava Hernandez, Kathleen Whalen, Jillian DeLosReyes, and Nicholas Gremmellion to our team. I am very excited about the expansion of the board and their contributions to the organization. As we move forward into another great year, please join me in supporting the success of our students and the MMN program!

Best, Fred Neal Jr., Board Chair
MISSION

Make Music NOLA is an intensive music-for-social change program. The mission of Make Music NOLA (MMN) is to promote academic achievement, cultivate artistic expression, and promote healthy growth and development of children in New Orleans through culturally relevant music instruction and performance.

VISION

- Training competent, engaged musicians
- Creating access through performance opportunities
- Forming a strong, supportive community
- Building up the confidence and musical ability of our students so that they can be competitive applicants to local and national programs
- Inspiring all students to achieve their greatest potential

HISTORY

Make Music NOLA began in September 2011 under the name "Youth Orchestra of the Lower 9th Ward" with only 5 students. Since then, the program has expanded to eight locations, including 4 school-based programs and 4 after-school community centers. This past year, MMN relocated our headquarters to the Bell Artspace Campus in the Treme, where we launched a new Saturday program. Our new classes at Bell include orchestra, music theory, fiddle class, and chamber ensemble.

MOVING FORWARD!!

Make Music NOLA's string programs expanded this year! We are now working with over 100 students through our in-school string programs. MMN added five new string classes this year at Paul Habans Charter School and Elan Academy! We could not be more excited about our new violin students.

MMN sponsored four students to attend summer camp in Michigan this past July! They had a great time at Archipelago Musical Leadership Academy in Traverse City, MI rehearsing, performing, and visiting beaches around Lake Michigan. During their ten days in MI, students were able to interact with other young musicians from Chicago, Stamford, Baltimore, and Portland. We plan to continue to increase the number of travel opportunities available to all of our students!

MMN students were invited to perform at the Grand Opening of the new Louisiana Children's Museum and Live Oak Camp over the summer! We were so excited to be a part of all the events! The demand for student performances continues to increase and we hope to expand the opportunities we can offer to our advanced students.

MMN added FOUR new board members this year! We are so excited to add Jillian DeLosReyes, Kathleen Whalen, Ava Hernandez, and Nicholas Gremellion to our team!

Thank You for your dedication to our programs and your support in growing the capacity of our organization.
