### **ABOUT OUR COFFEE**

#### **Morgan's handcrafted coffee**

*Established in 2004, Morgan's handcrafted coffee stands today as a direct result of the commitment, dedication and passion of the Morgan's team and its owner Dean Morgan. Dean has travelled extensively internationally in a bid to find not only the best quality raw product, but also the best equipment available to do justice to his dream of producing a rich and luscious range of products that equals his passion for coffee.*

#### **Daily fusion blend**

*Our long lasting ever evolving house blend with hints of cocoa, spice and fruit that create a synthesis of scintillating flavours. This blend consists of beans from India, Sumatra, Ethiopia and Brazil.*

#### **Single origin of the week**

*Recommended for the espresso drinker, we are serving a single origin of the week through a naked filter. See our blackboard for details of today's SO.*

#### **Drinking chocolate**

*Morgan's selects single origin fine flavour organic cocoa products which are blended with organic sugar to create an unrivalled drinking chocolate experience*

#### **Teas and infusions**

*Morgans source the best tea from the finest plantations around the world. With a palate geared towards flavour, our range contains a mix of the classics.*
