SHEET**

**BIOHALL
CLEVINGER
APPARATUS**

Valid for Catalog Number BLS.2401.01-BLS.2401.02

1. Description: Clevenger Apparatus

2. Performance Specification:

BLS.2401.01 Clevenger Apparatus , Essential Oil determination apparatus, for oil heavier than water , 1000 ml flask , 5 ml receiver with stopcock, an oil separator tube , a condenser

BLS.2402.01 Clevenger Apparatus , Essential Oil determination apparatus, for oil lighter than water , 1000 ml flask, 5 ml receiver with stopcock, an oil separator tube , a condenser

3. Application

- Ideal for estimation of volatile oil
