Hungry?

Don't miss the food truck

== LA COCINITA ==

parked outside!

La Cocinita ("The Little Kitchen") serves contemporary Venezuelan-inspired Latin American street food. The fresh, gourmet cuisine ranges from traditional Mexican tacos and tamales to less familiar Venezuelan fare such as arepas and cachapas. With one food truck in New Orleans and another in Chicago, owners Benoit & Rachel Angulo are excited to open their first restaurant location in Evanston.
