K-12

K-12 key takeaways for Alberta parents:

1. The Alberta government has announced that all students in grades K-12 will return to in-person learning in the fall of 2021.

2. This move is part of a broader strategy to support the mental health and well-being of students during the COVID-19 pandemic.

3. The decision to return to in-person learning was based on advice from health experts and input from the community.

4. The government has also implemented additional health and safety measures in schools to mitigate the risk of transmission.

5. Parents are encouraged to monitor their child’s health and to report any symptoms immediately.

6. The Online Virtual Program will remain available for students who require it.
