

# Mapping Newcomers' Commute in Calgary

December 2021

## Appendix A. Maps of jobs, newcomers, and Primary Transit Network

### Distribution of Jobs, Newcomers, and Primary Transit Network (accommodation and food services, 2016 Census)

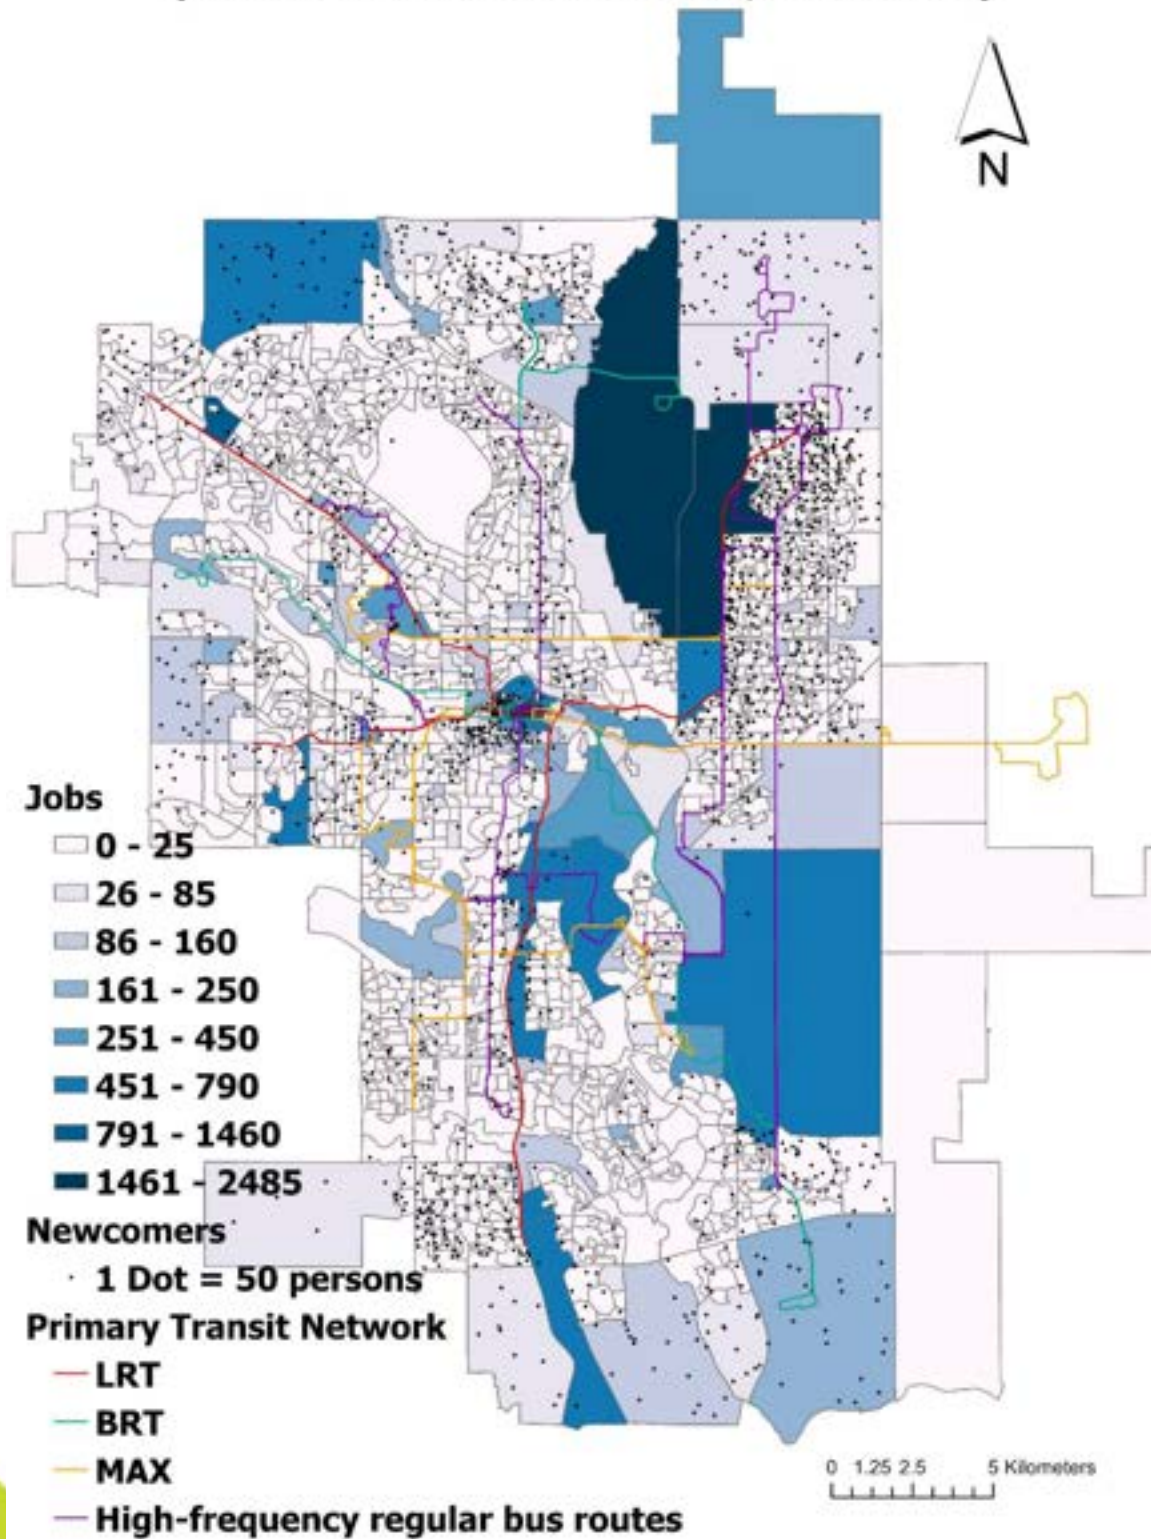

Figure 1. Distribution of jobs, newcomers, and Primary Transit Network (accommodation and food services).

## Distribution of Jobs, Newcomers, and Primary Transit Network (wholesale trade, 2016 Census)

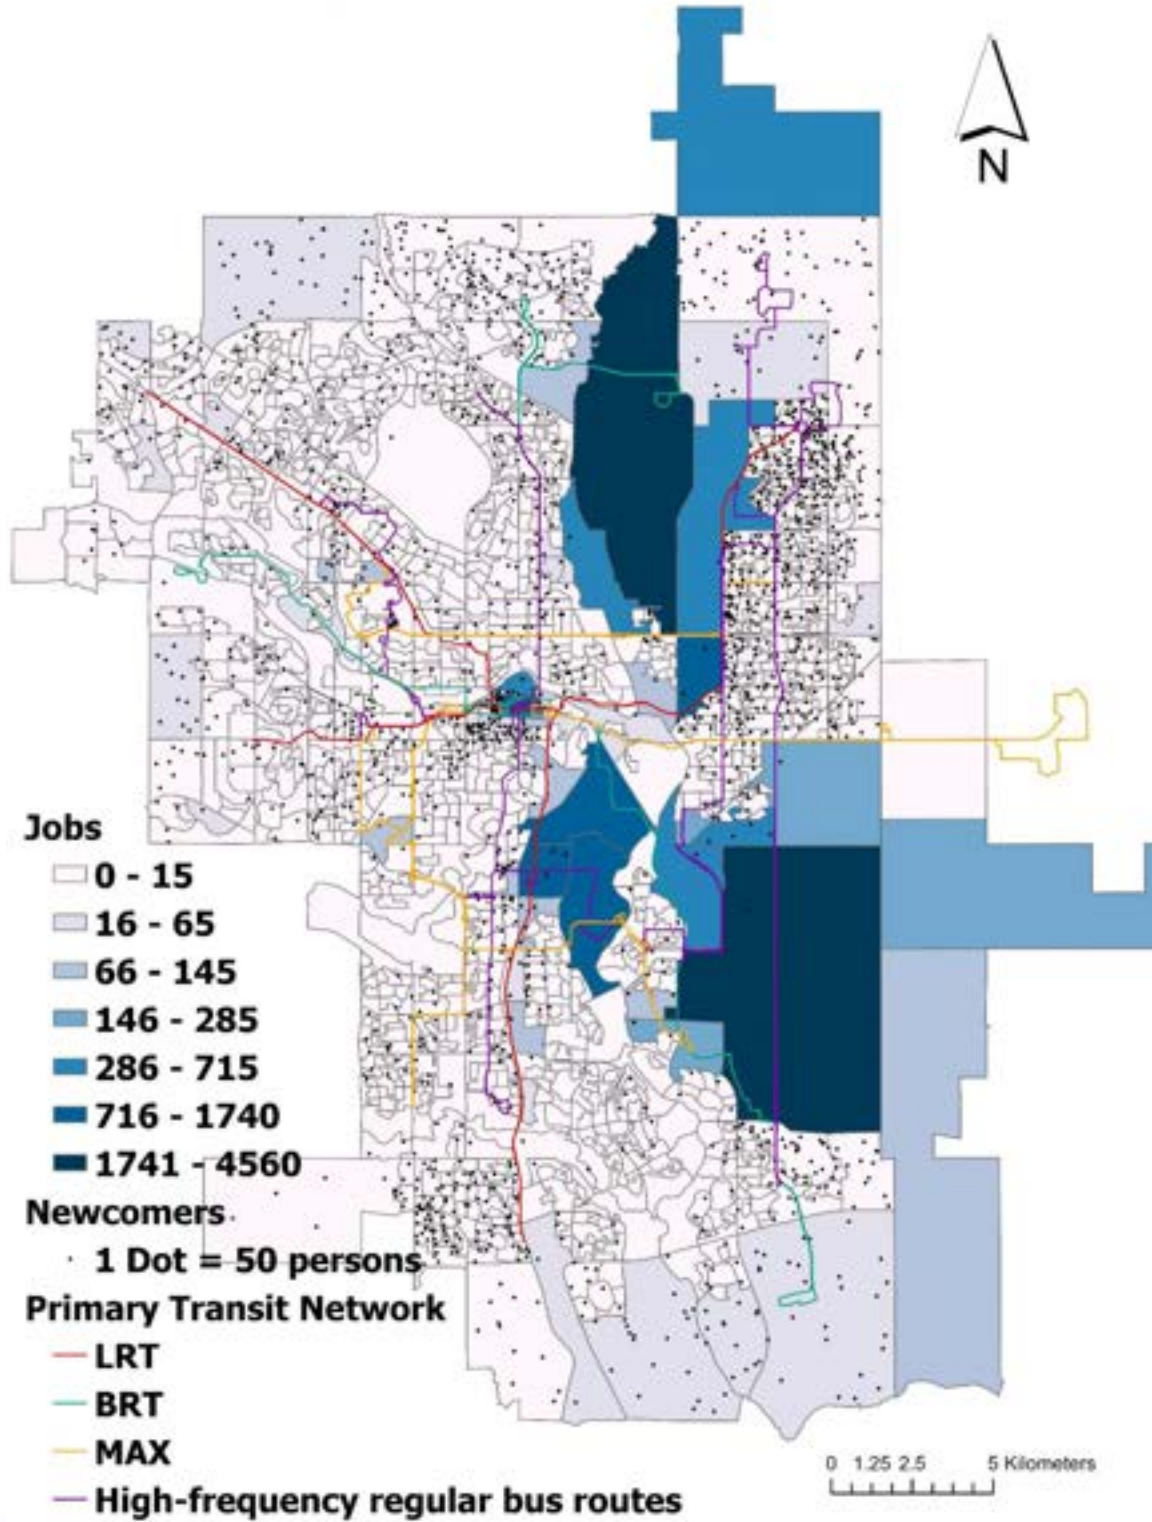

Figure 2. Distribution of jobs, newcomers, and Primary Transit Network (wholesale trade).

## Distribution of Jobs, Newcomers, and Primary Transit Network (retail trade, 2016 Census)

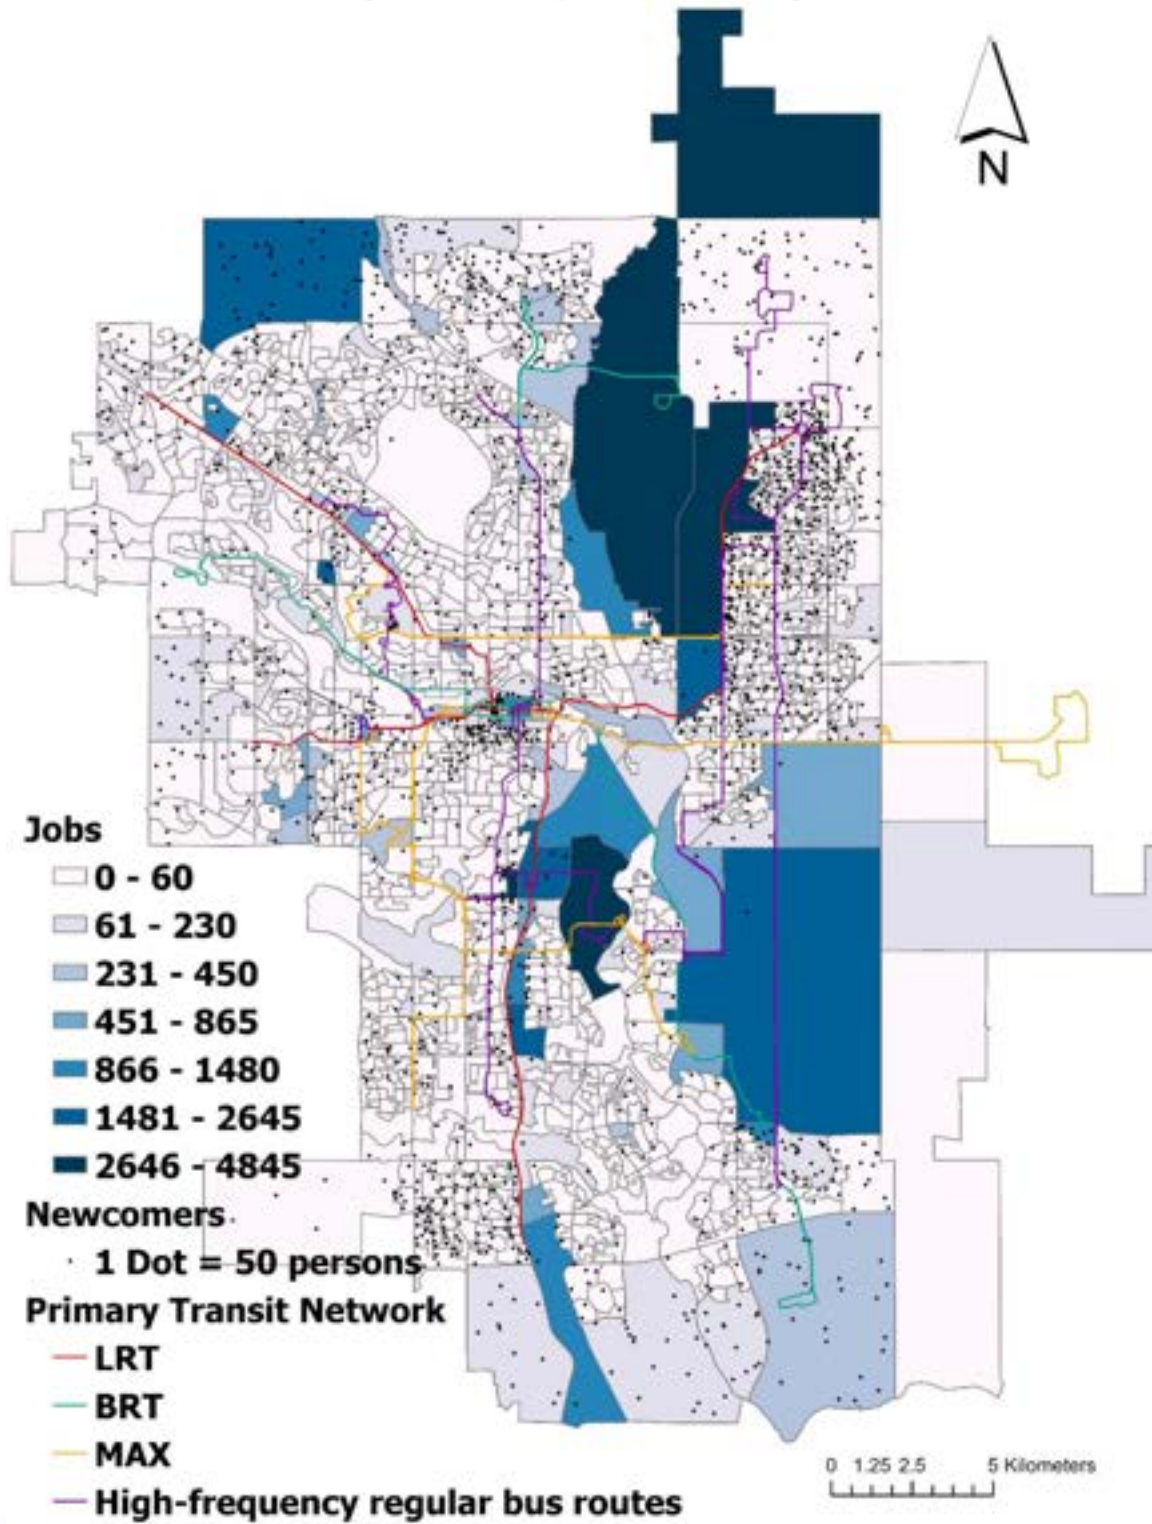

Figure 3. Distribution of jobs, newcomers, and Primary Transit Network (retail trade).

## Distribution of Jobs, Newcomers, and Primary Transit Network (health care and social assistance, 2016 Census)

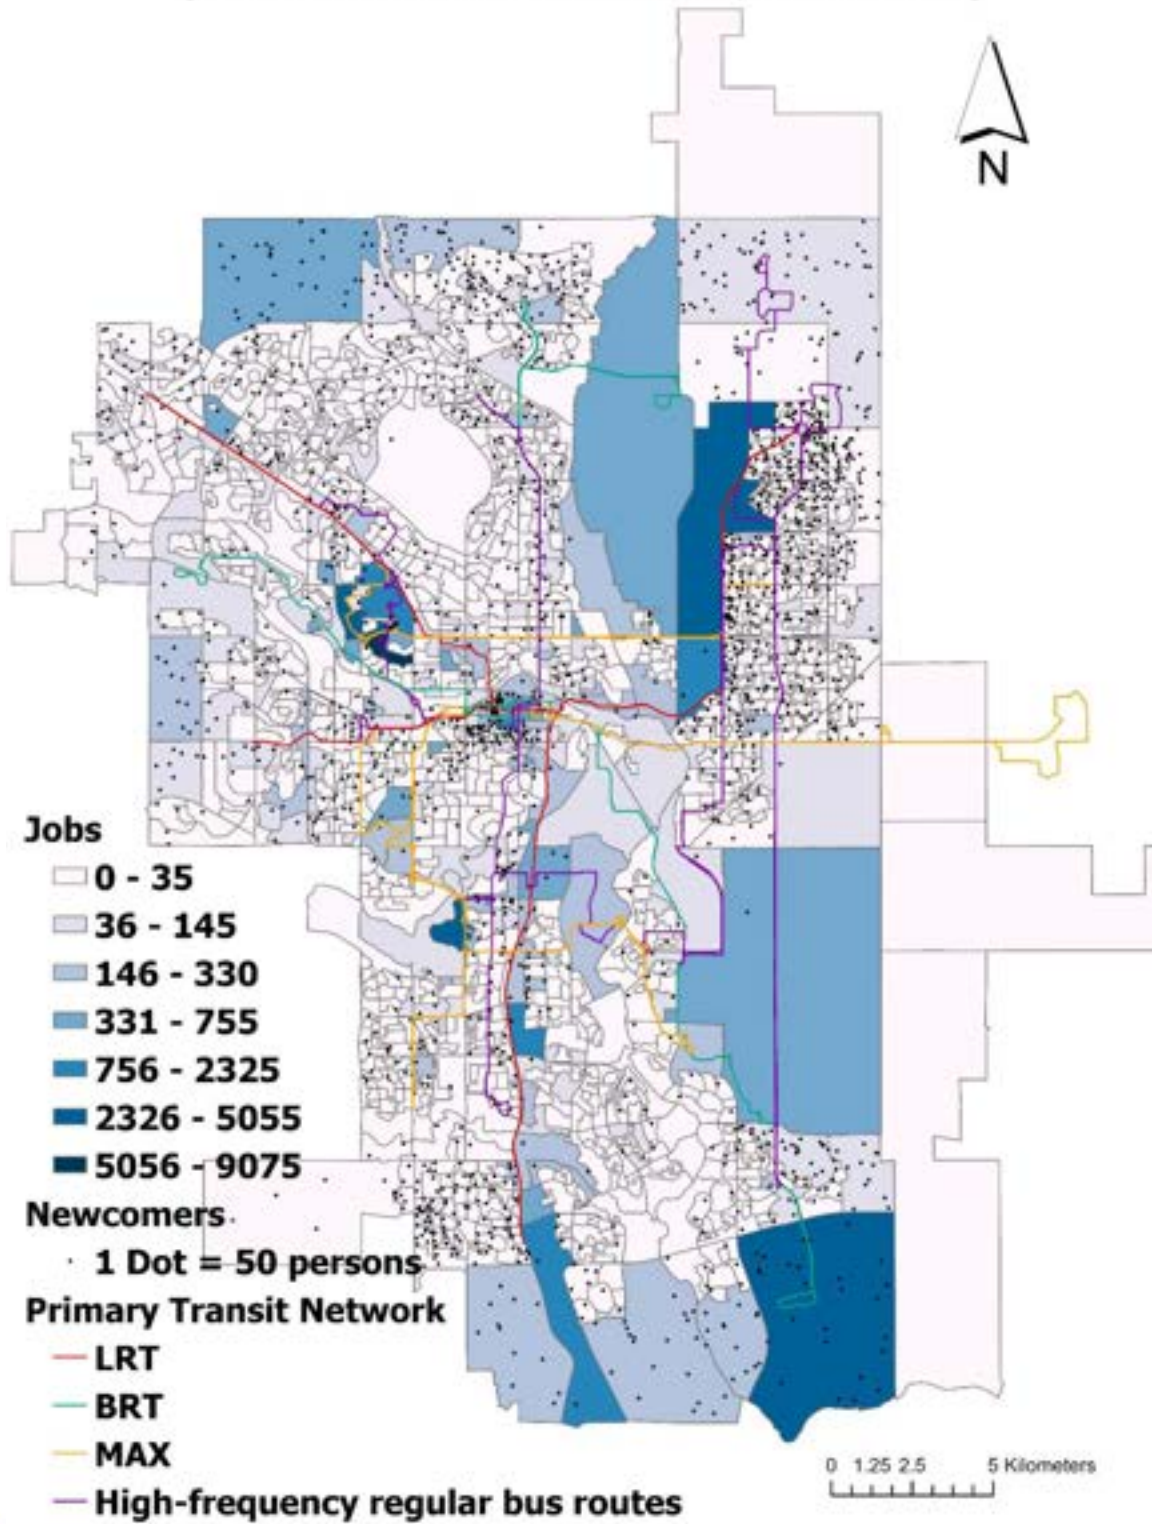

Figure 4. Distribution of jobs, newcomers, and Primary Transit Network (health care and social assistance).

## Distribution of Jobs, Newcomers, and Primary Transit Network (manufacturing, 2016 Census)

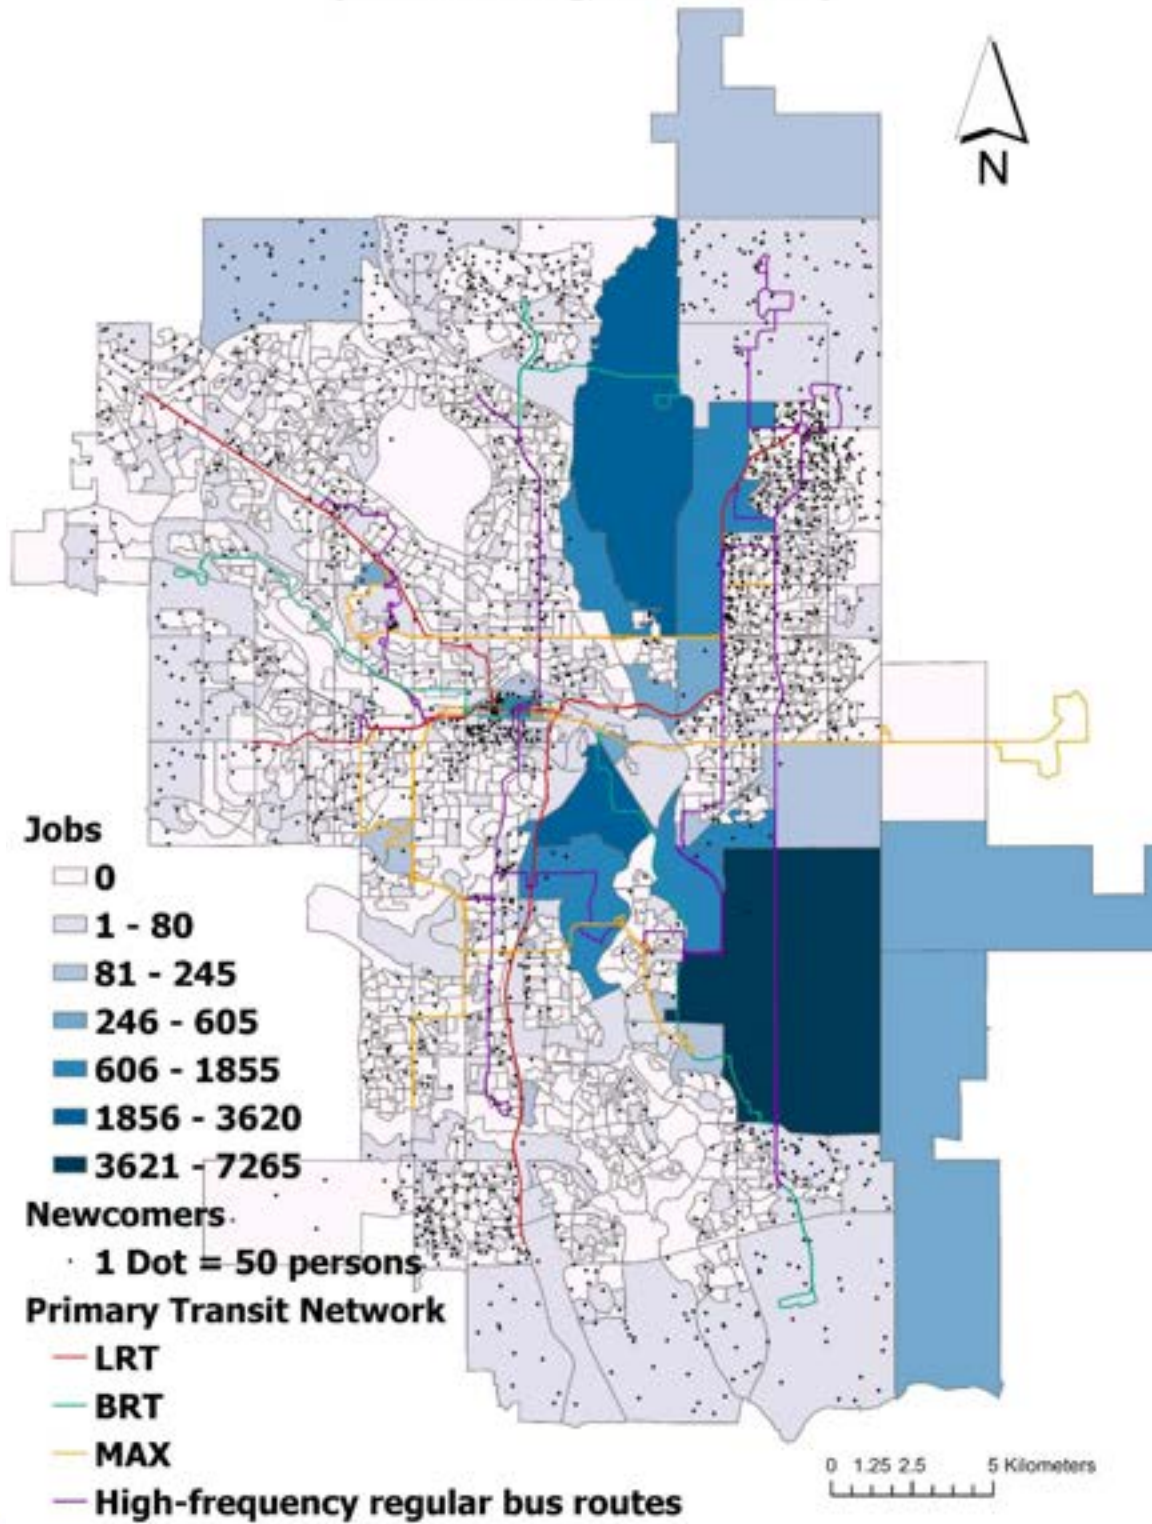

Figure 5. Distribution of jobs, newcomers, and Primary Transit Network (manufacturing).

## Distribution of Jobs, Newcomers, and Primary Transit Network (construction, 2016 Census)

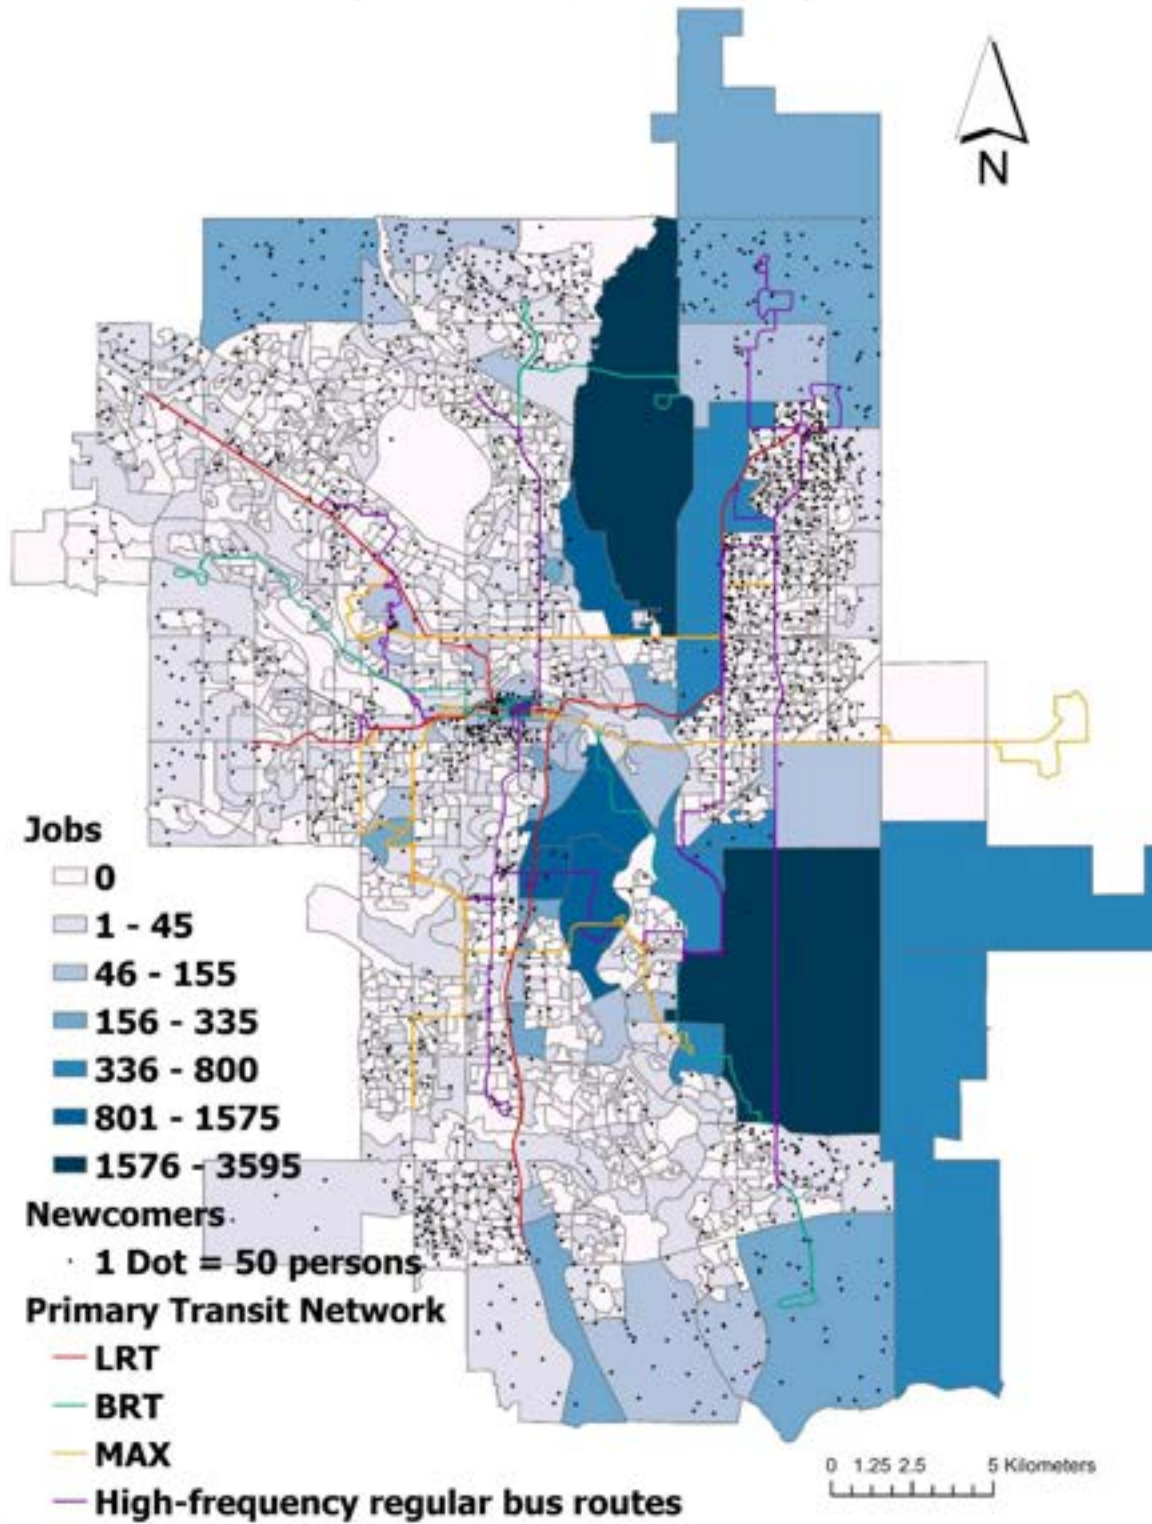

Figure 6. Distribution of jobs, newcomers, and Primary Transit Network (construction).

## Distribution of Jobs, Newcomers, and Primary Transit Network (transportation and warehousing, 2016 Census)

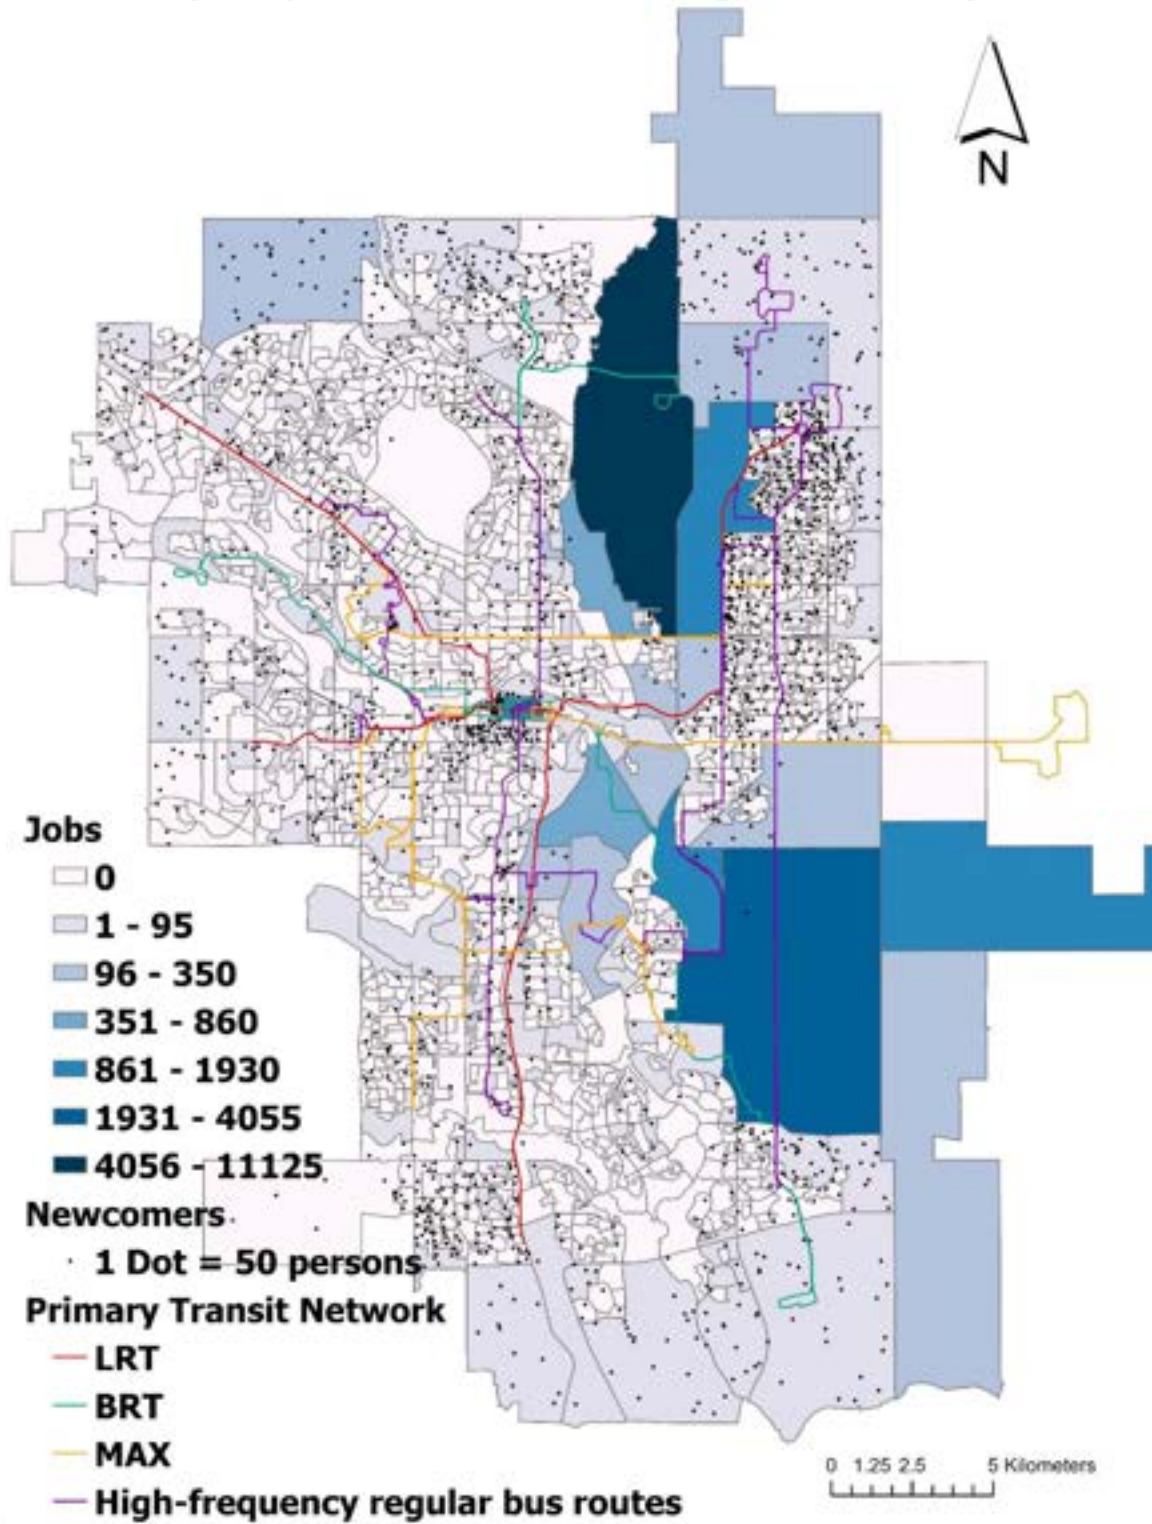

Figure 7. Distribution of jobs, newcomers, and Primary Transit Network (transportation and warehousing).

## Distribution of Jobs, Newcomers, and Primary Transit Network (professional, scientific, and technical services, 2016 Census)

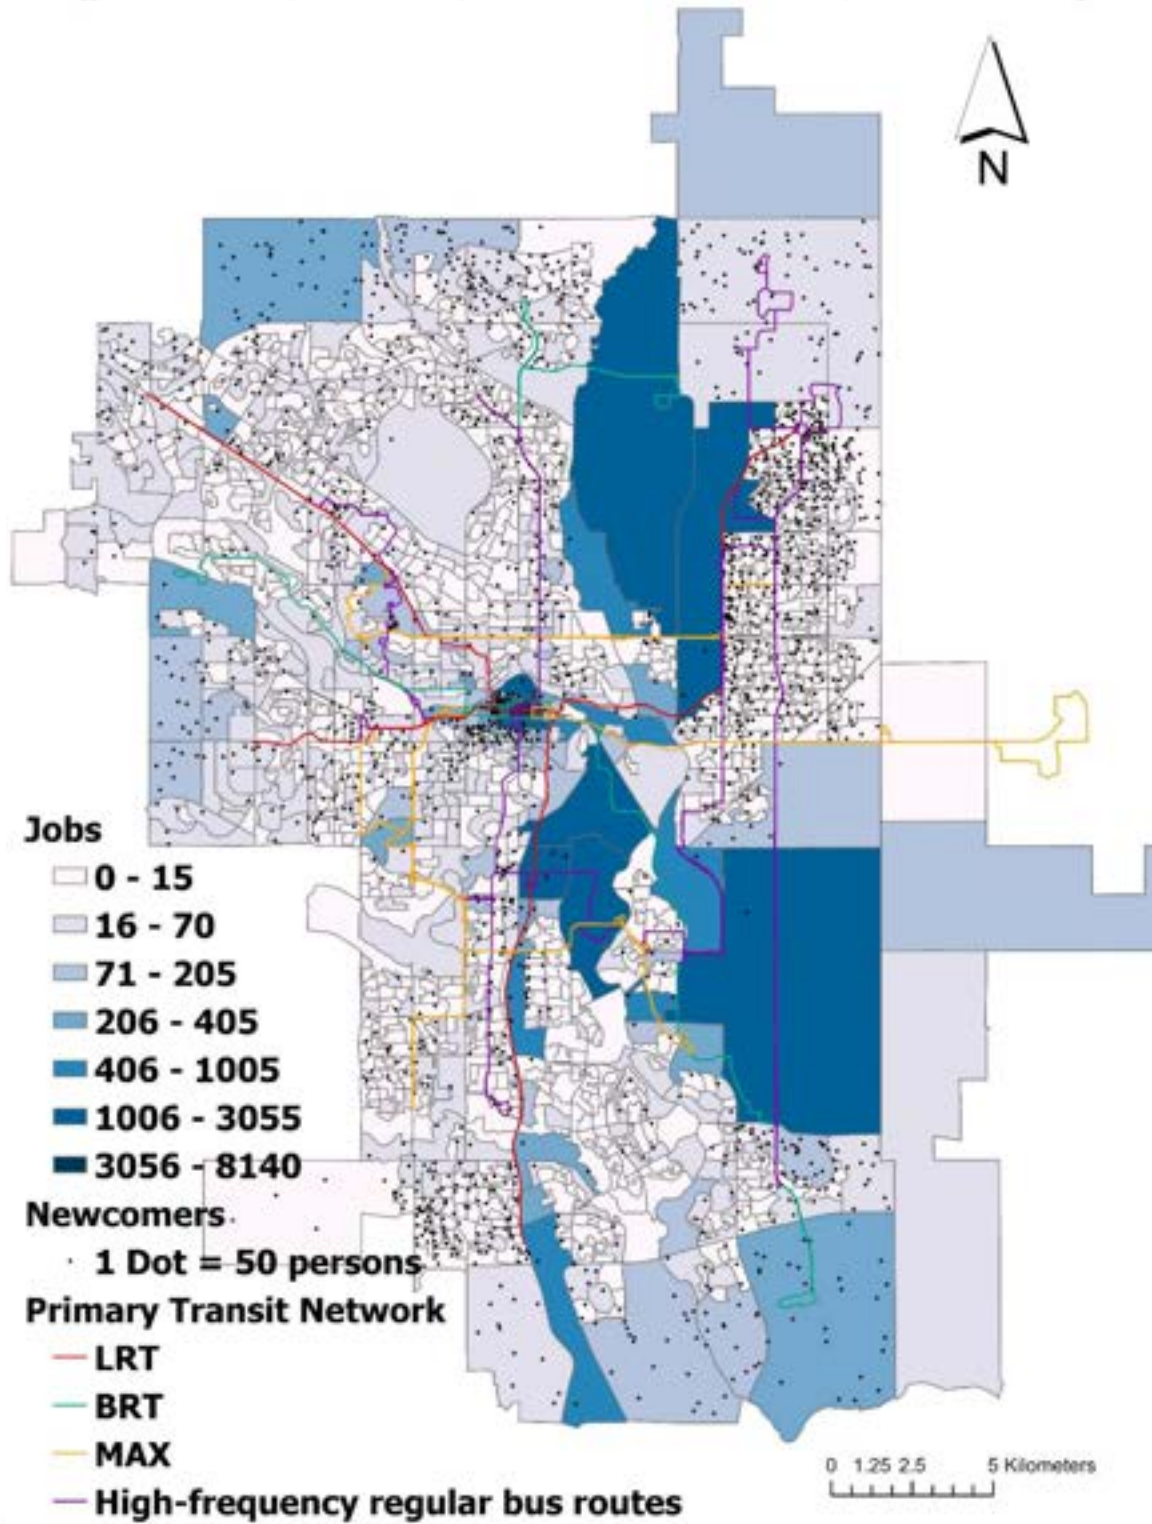

Figure 8. Distribution of jobs, newcomers, and Primary Transit Network (professional, scientific and technical services).

## Distribution of Jobs, Newcomers, and Primary Transit Network (educational services, 2016 Census)

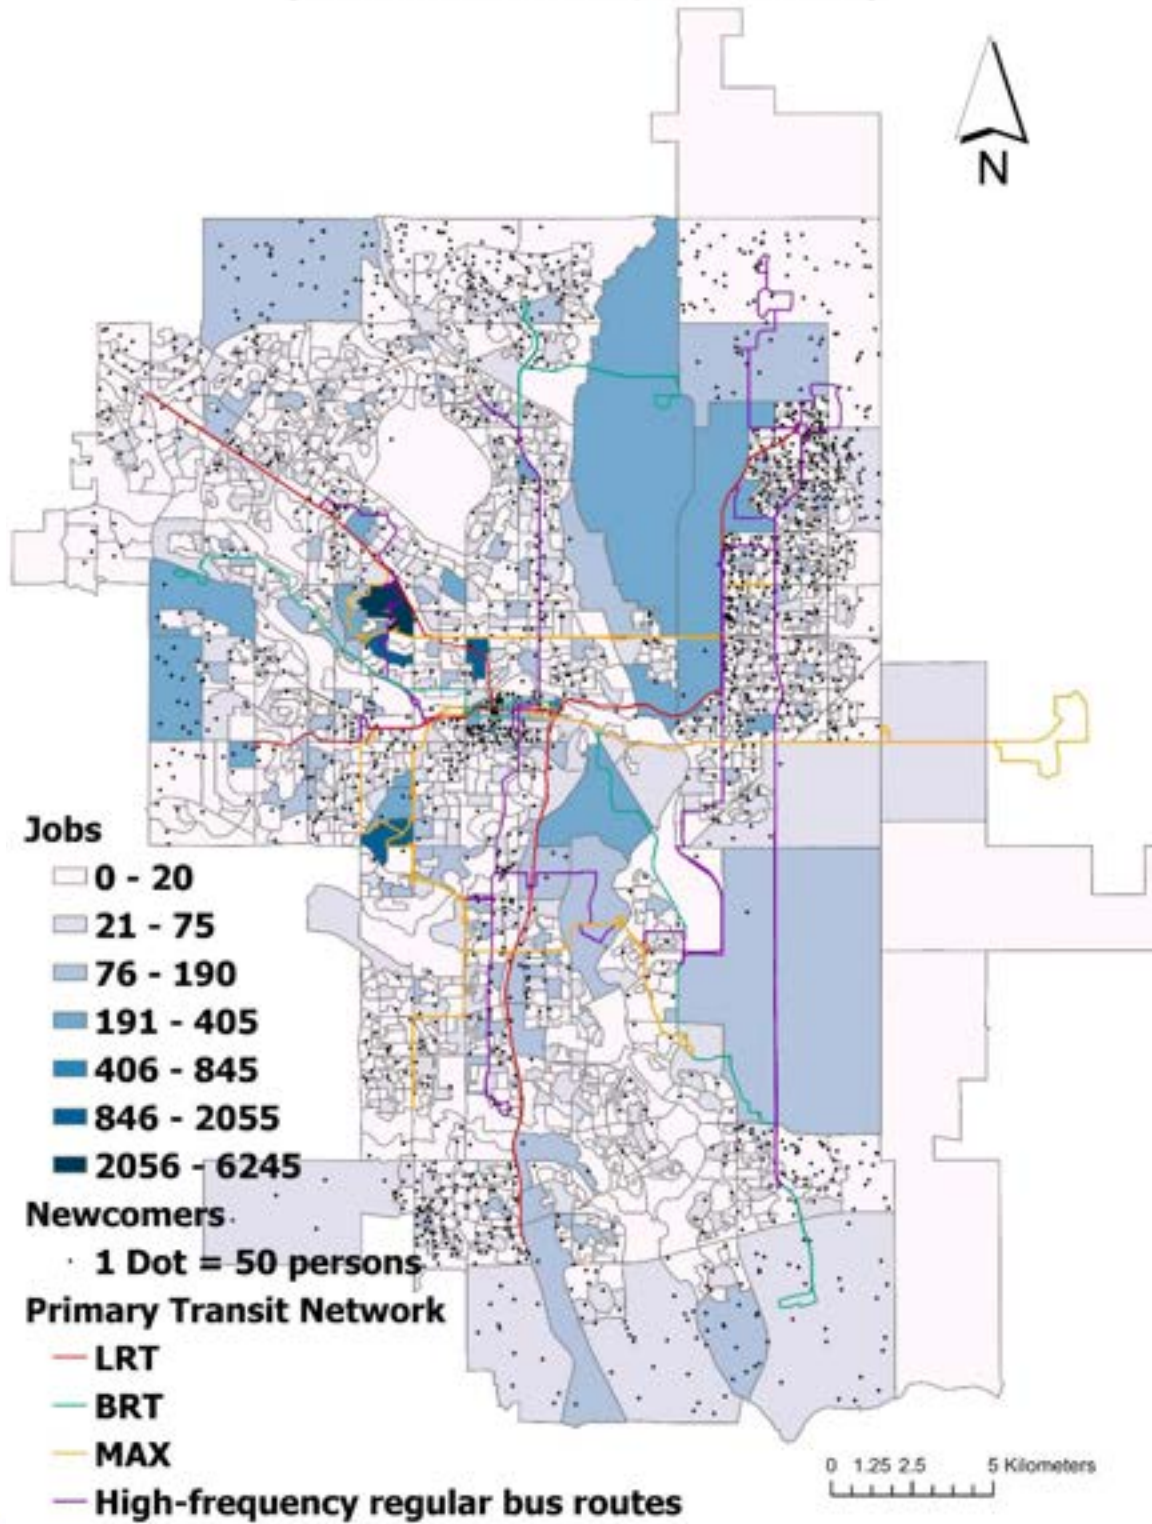

Figure 9. Distribution of jobs, newcomers, and Primary Transit Network (educational services).

**Distribution of Jobs, Newcomers, and Primary Transit Network  
(mining, quarrying, and oil and gas extraction , 2016 Census)**

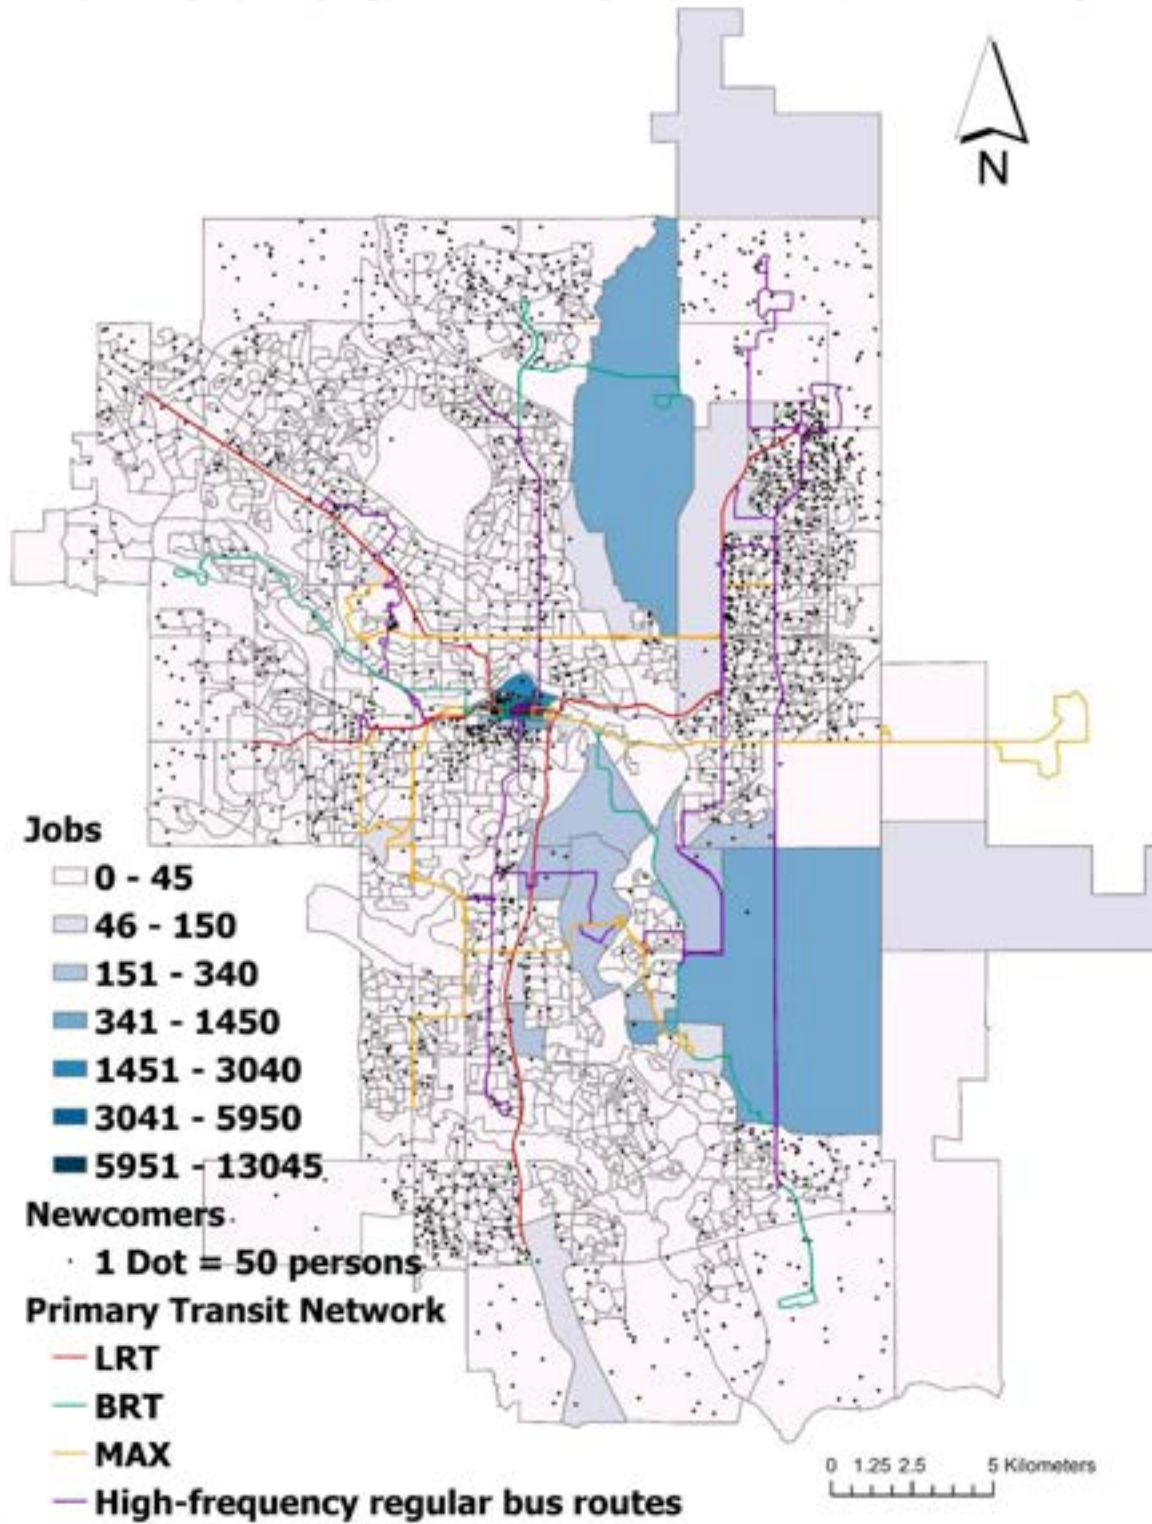

Figure 10. Distribution of jobs, newcomers, and Primary Transit Network (mining, quarrying, and oil and gas extraction).

Appendix B. Maps of transit-based job accessibility by the time of day

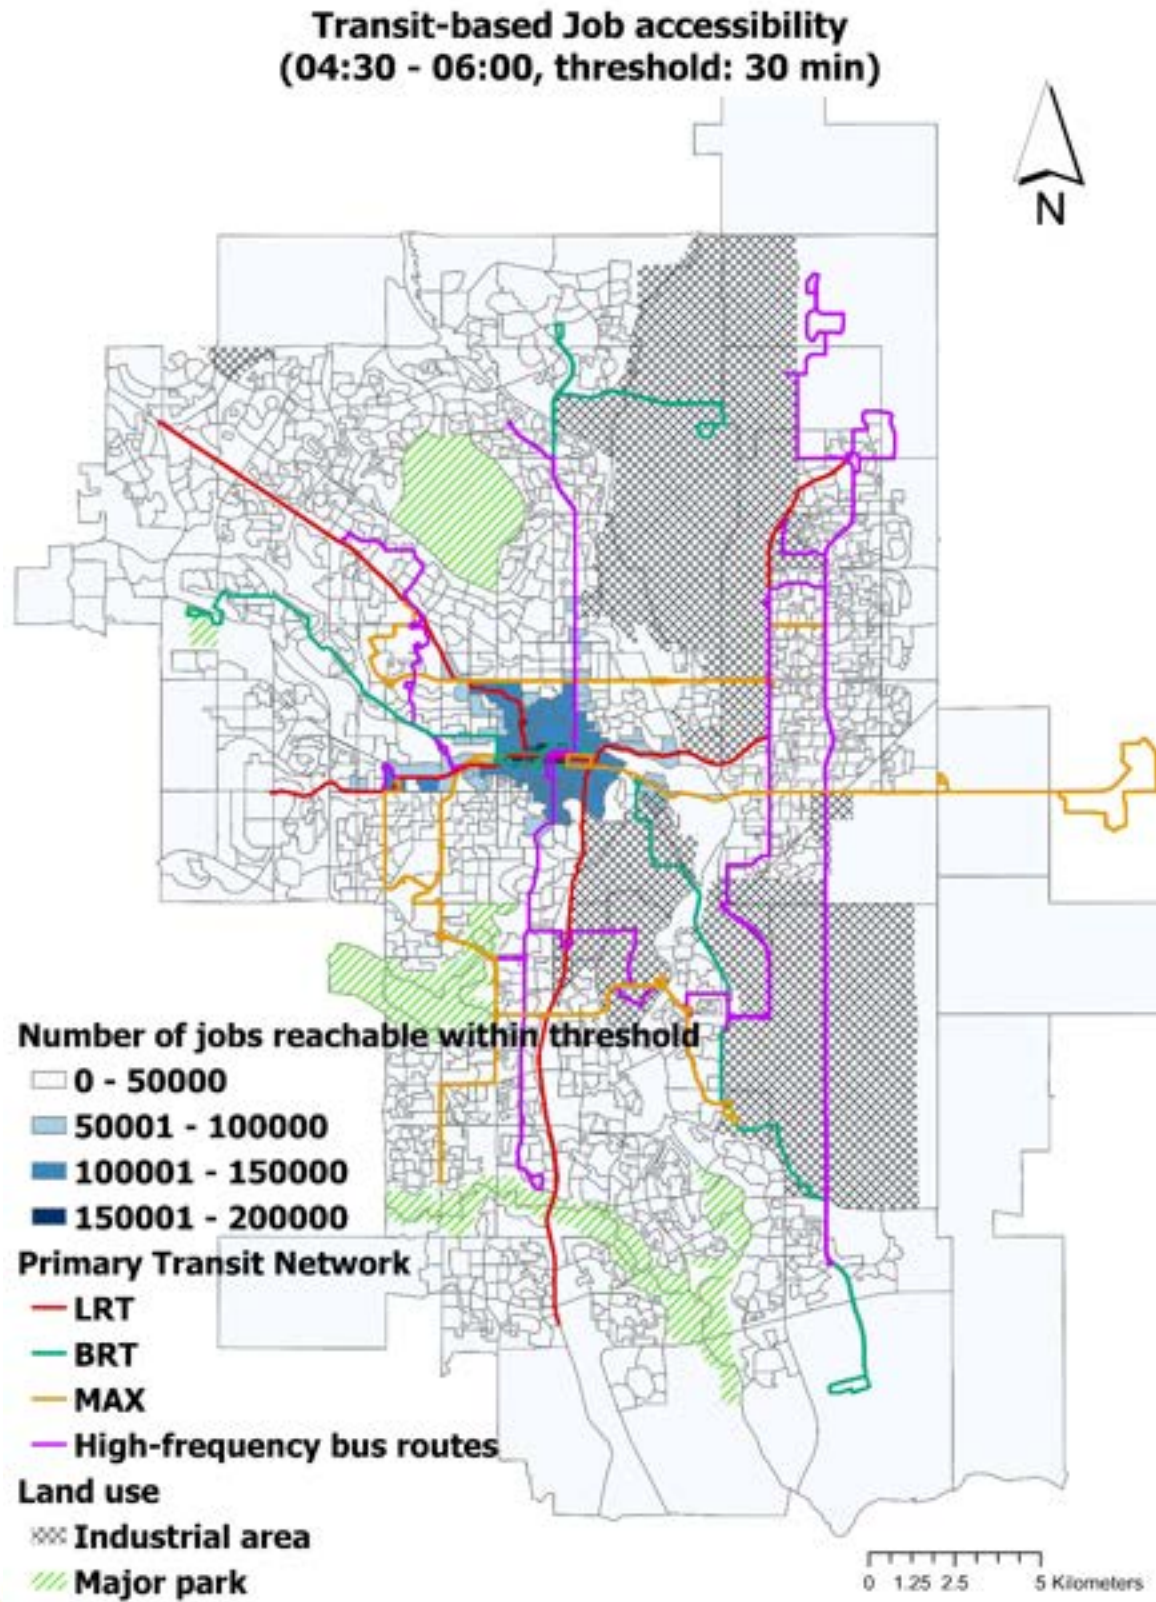

Figure 11. Transit-based job accessibility during 04:30-06:00 with different time thresholds: 30 min.

**Transit-based Job accessibility  
(04:30 - 06:00, threshold: 45 min)**

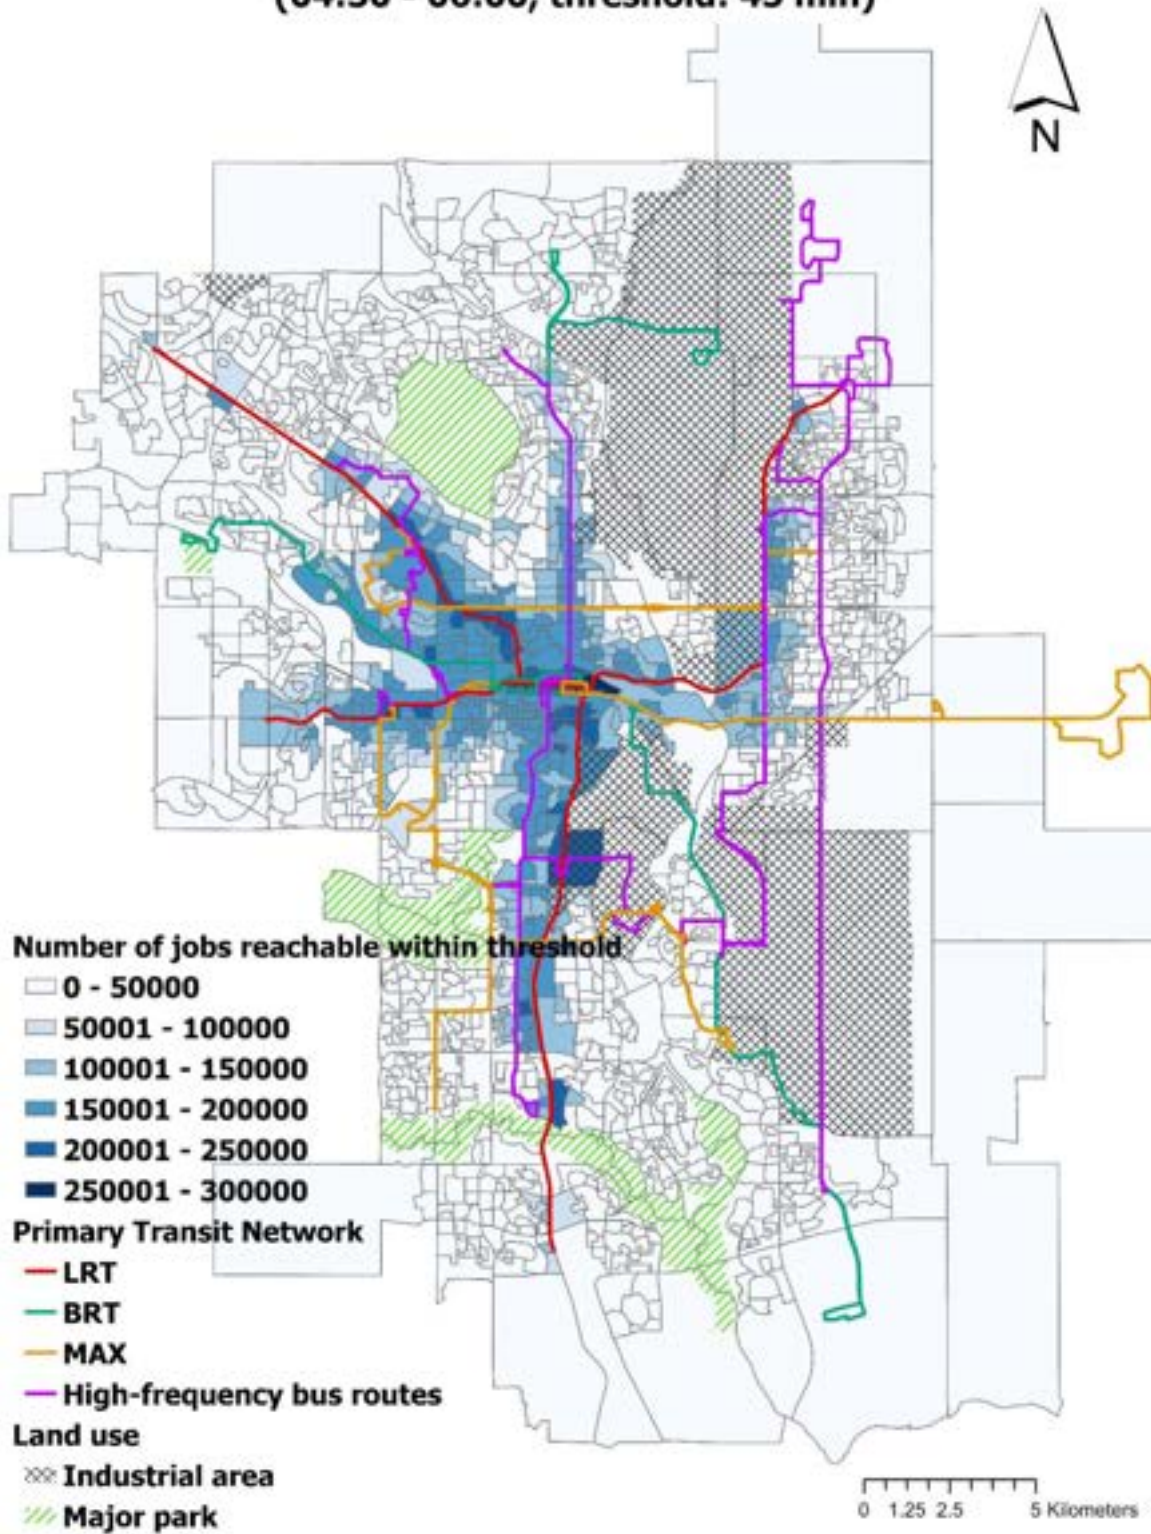

Figure 12. Transit-based job accessibility during 04:30-06:00 with different time thresholds: 45 min.

## Transit-based Job accessibility (04:30 - 06:00, threshold: 60 min)

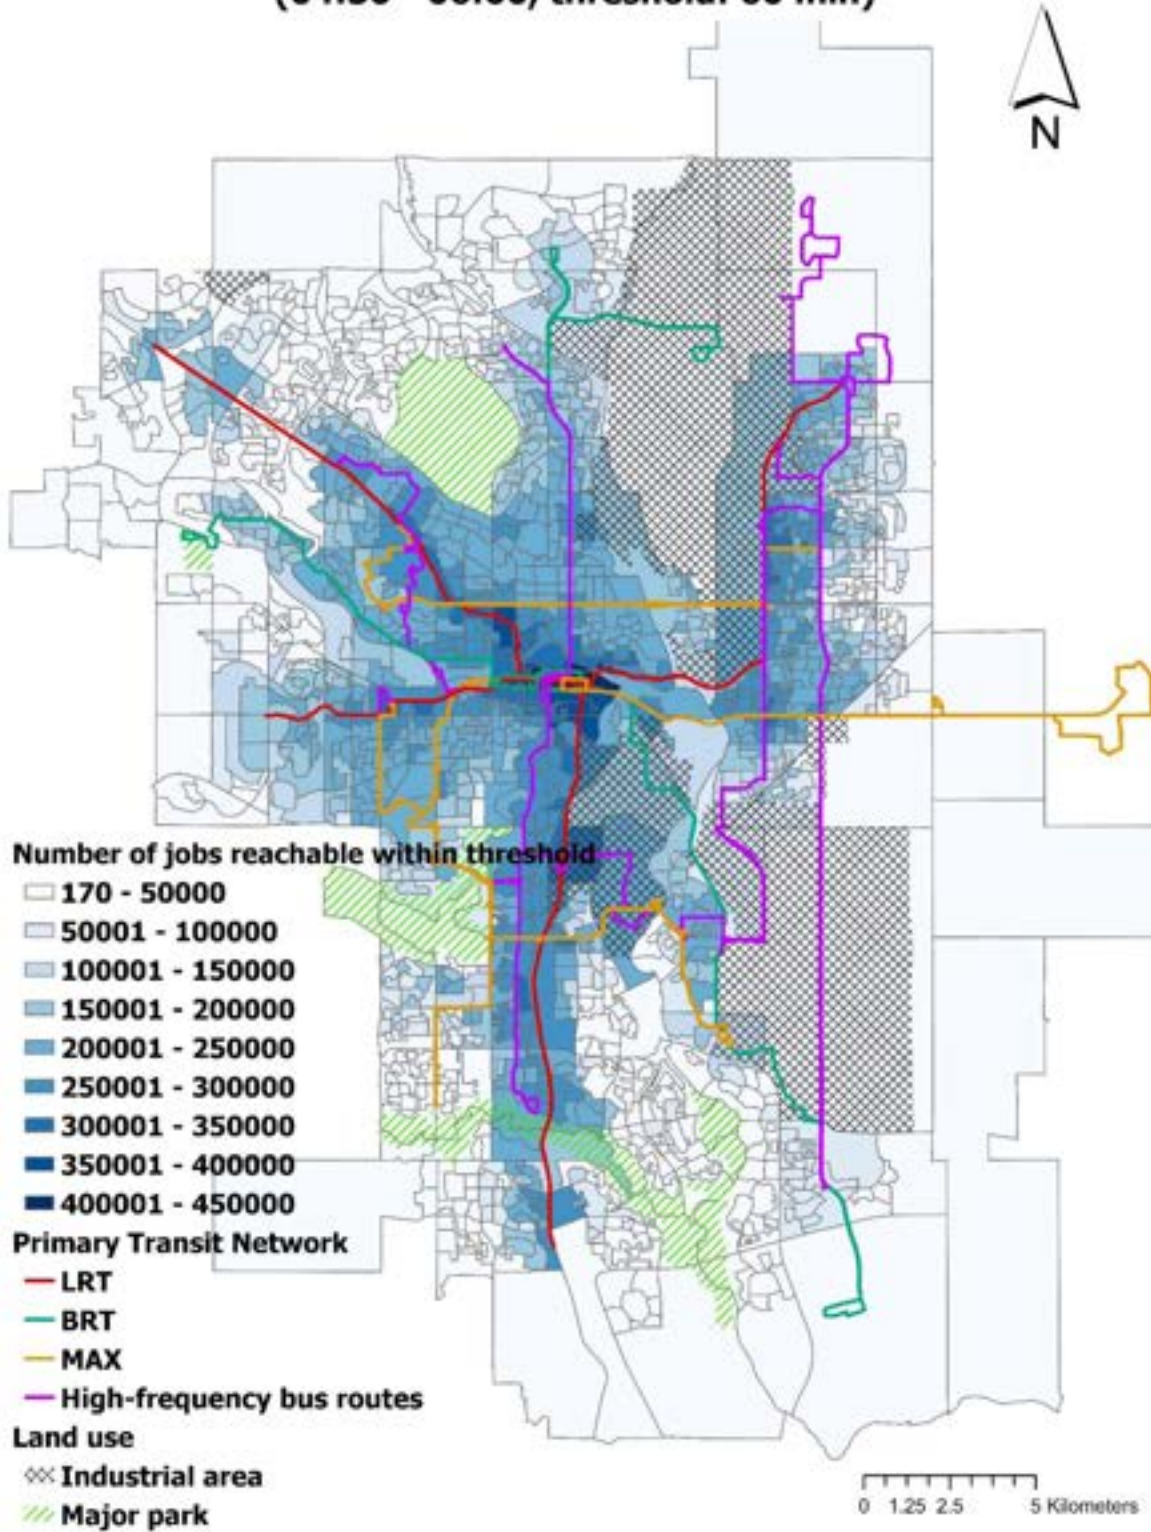

Figure 13. Transit-based job accessibility during 04:30-06:00 with different time thresholds: 60 min.

## Transit-based Job accessibility (04:30 - 06:00, threshold: 75 min)

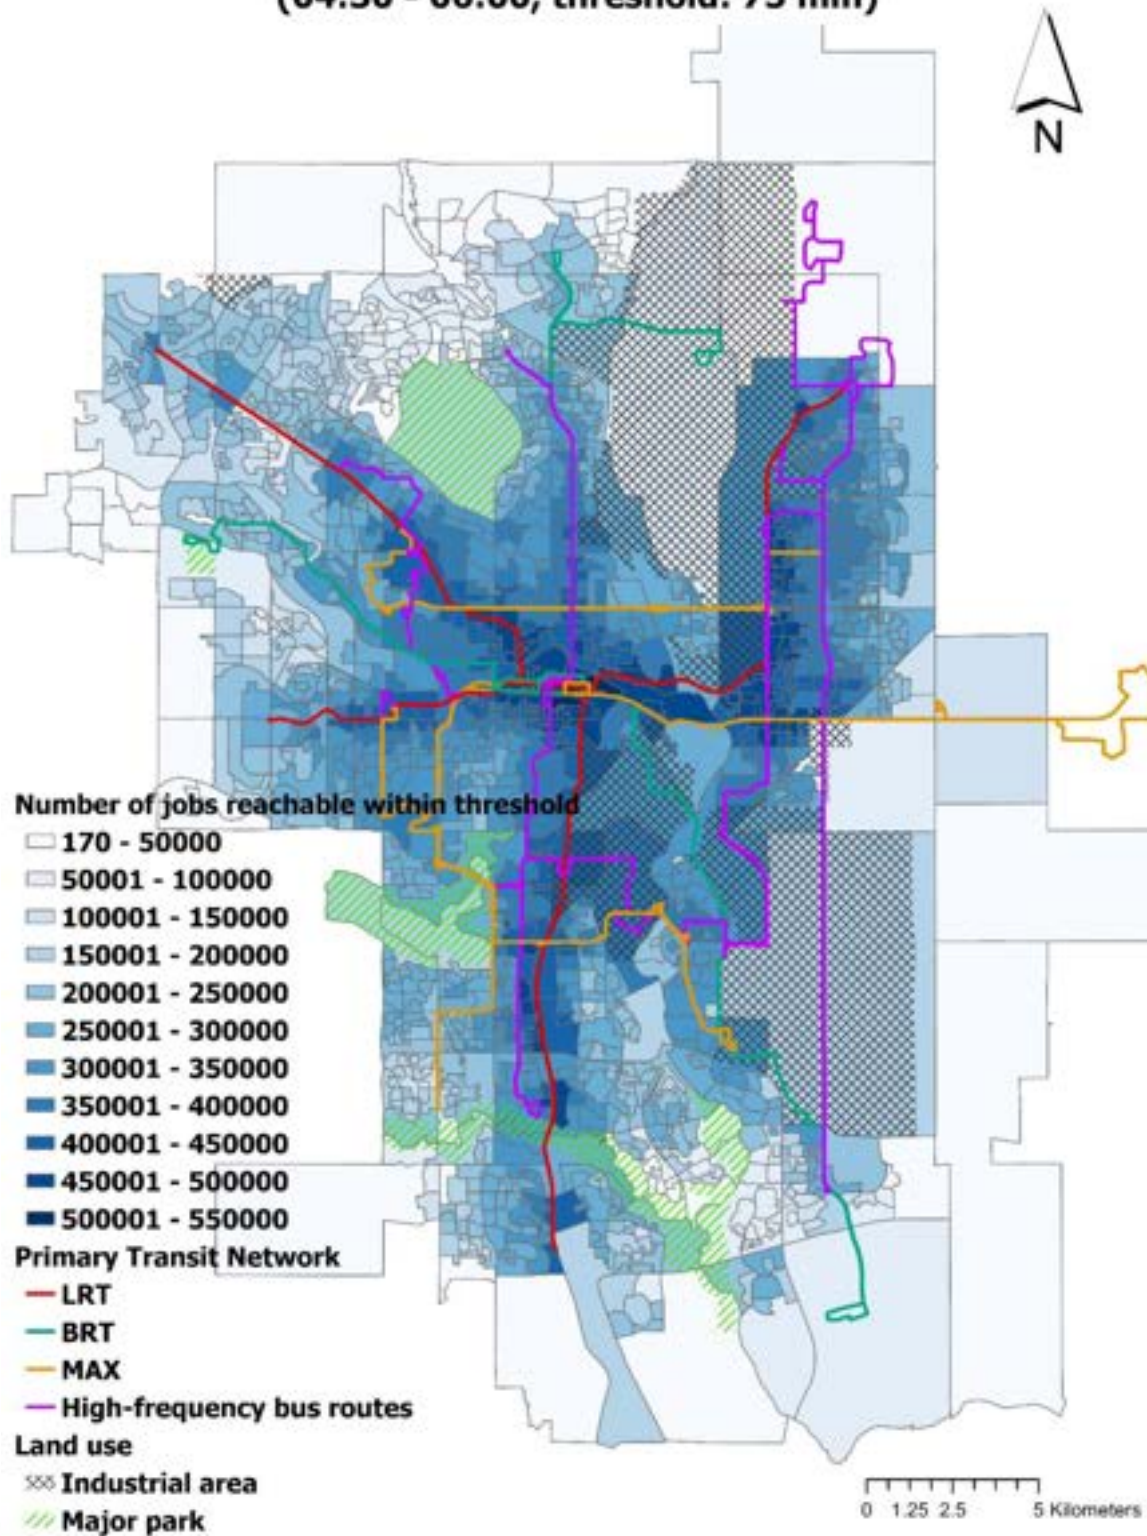

Figure 14. Transit-based job accessibility during 04:30-06:00 with different time thresholds: 75 min.

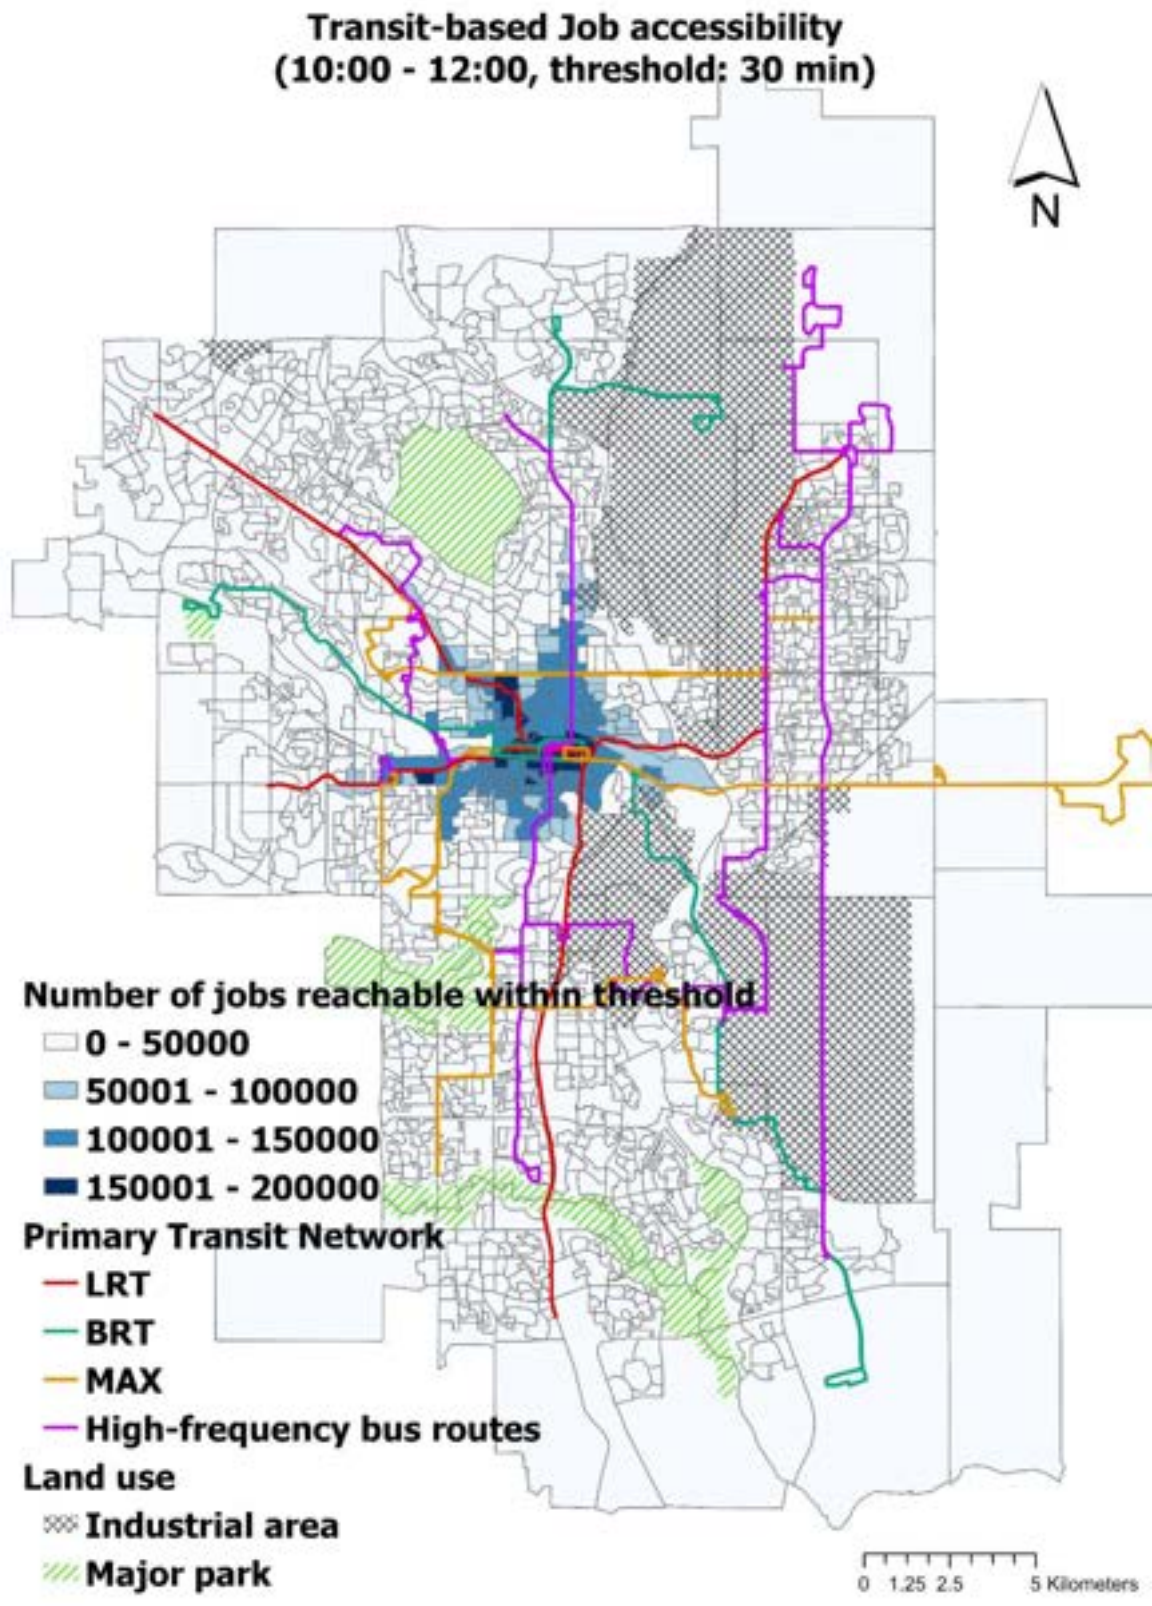

Figure 15. Transit-based job accessibility during 10:00-12:00 with different time thresholds: 30 min

**Transit-based Job accessibility  
(10:00 - 12:00, threshold: 45 min)**

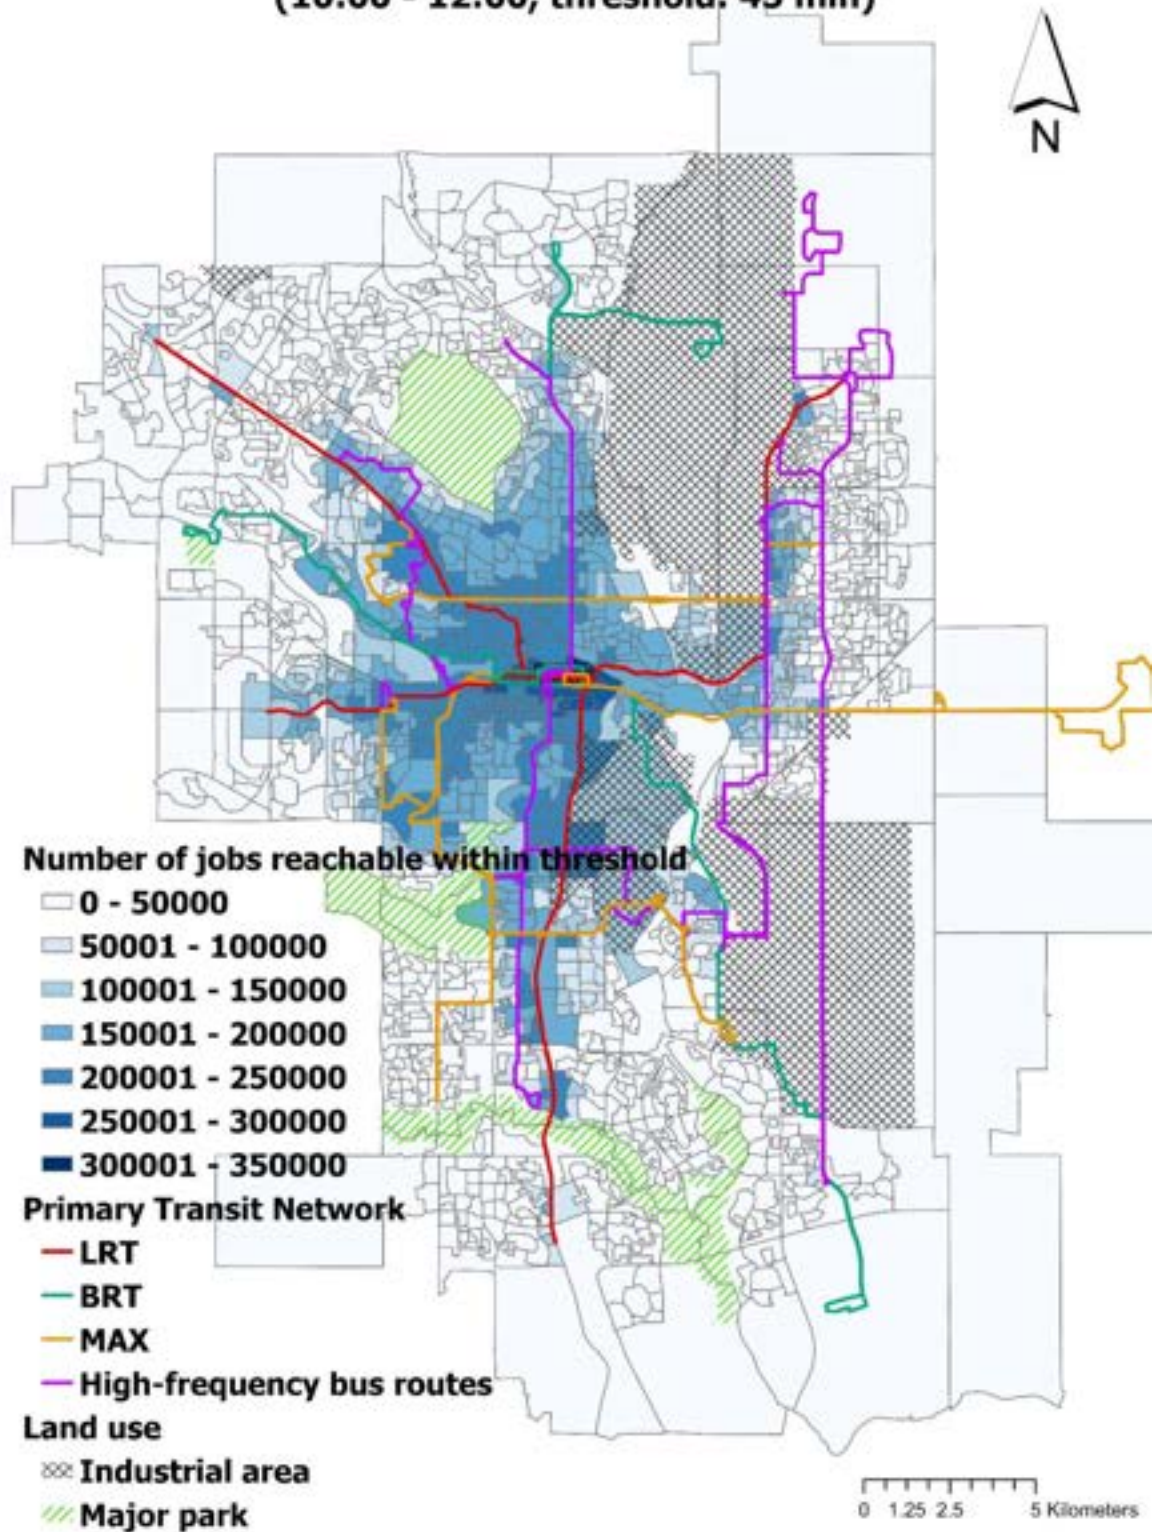

Figure 16. Transit-based job accessibility during 10:00-12:00 with different time thresholds: 45 min.

## Transit-based Job accessibility (10:00 - 12:00, threshold: 60 min)

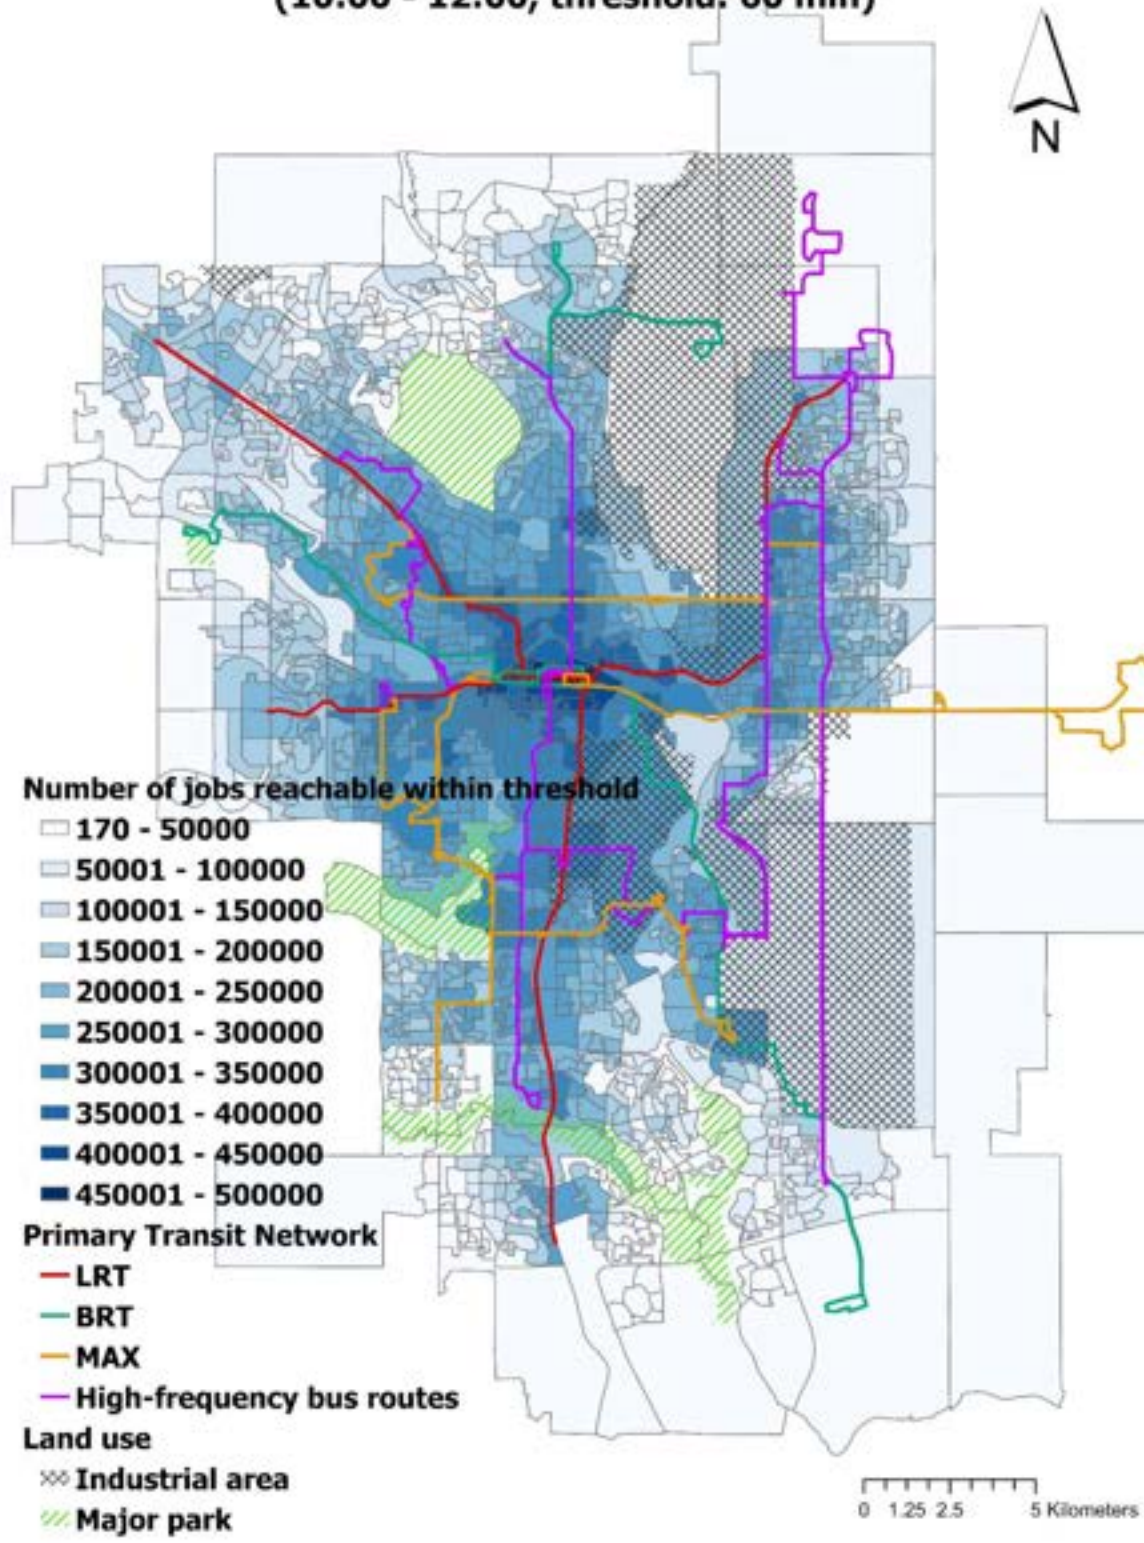

Figure 17. Transit-based job accessibility during 10:00-12:00 with different time thresholds: 60 min.

## Transit-based Job accessibility (10:00 - 12:00, threshold: 75 min)

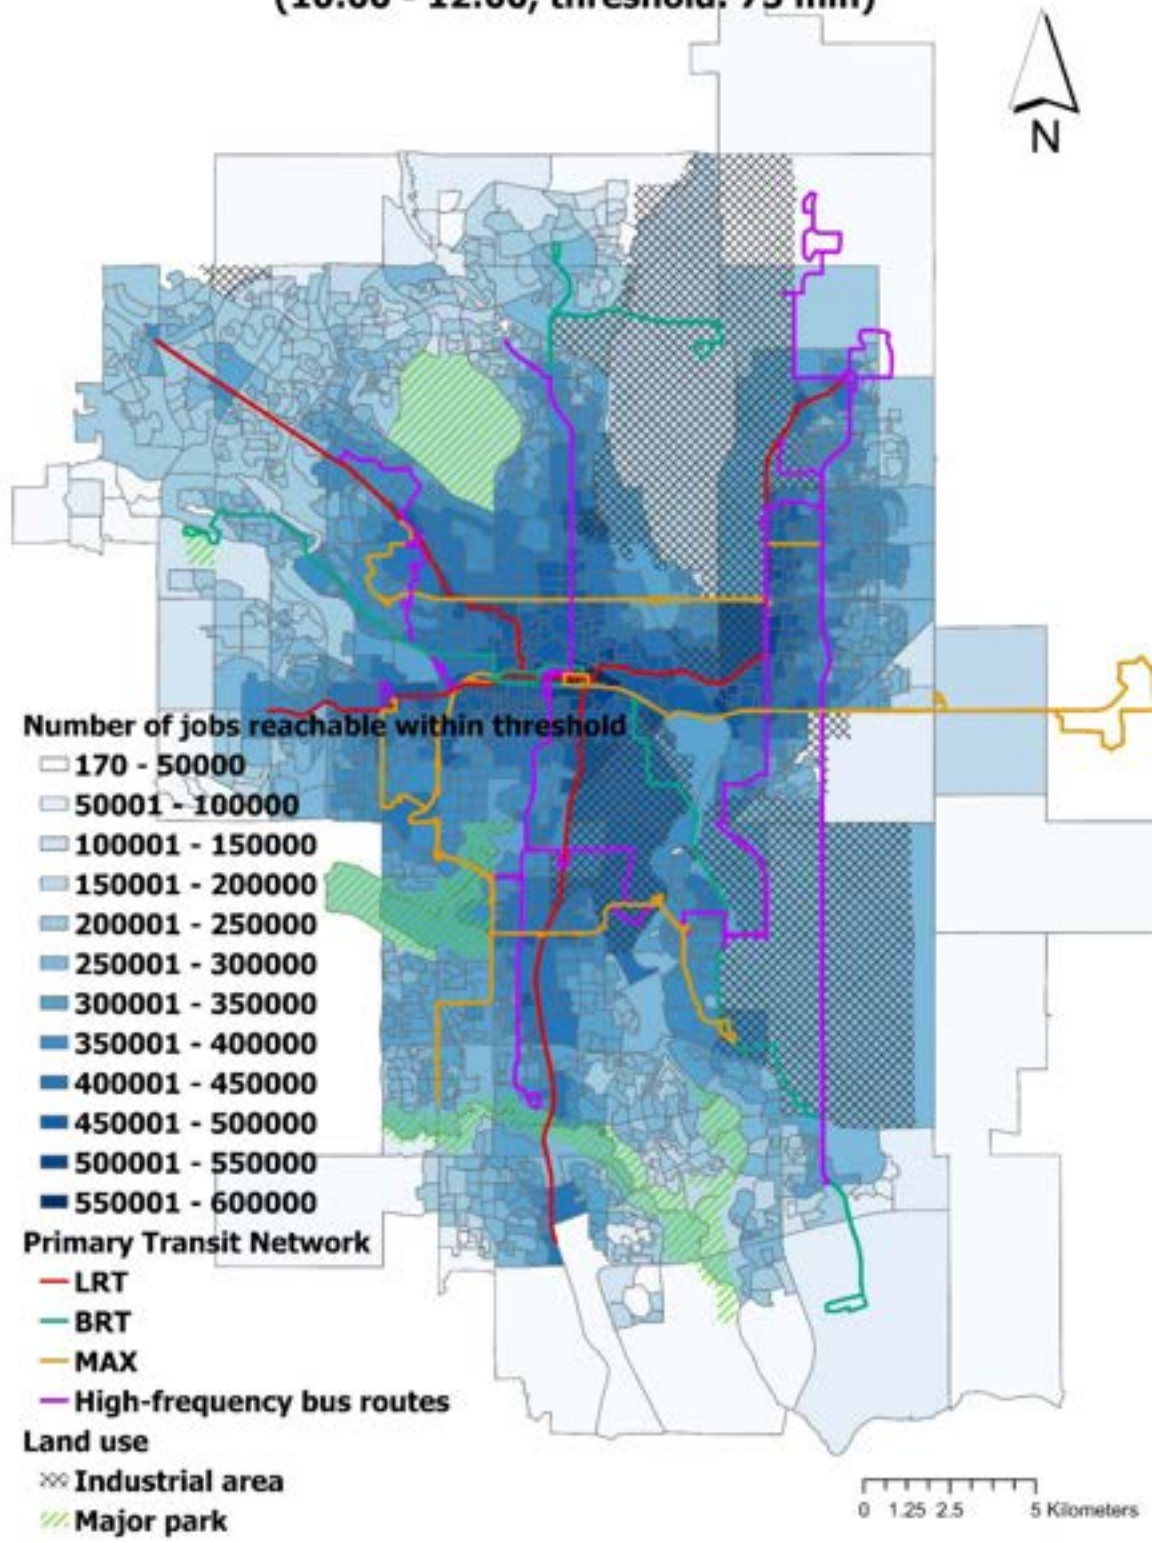

Figure 18. Transit-based job accessibility during 10:00-12:00 with different time thresholds: 75 min.

**Transit-based Job accessibility  
(15:00 - 18:00, threshold: 30 min)**

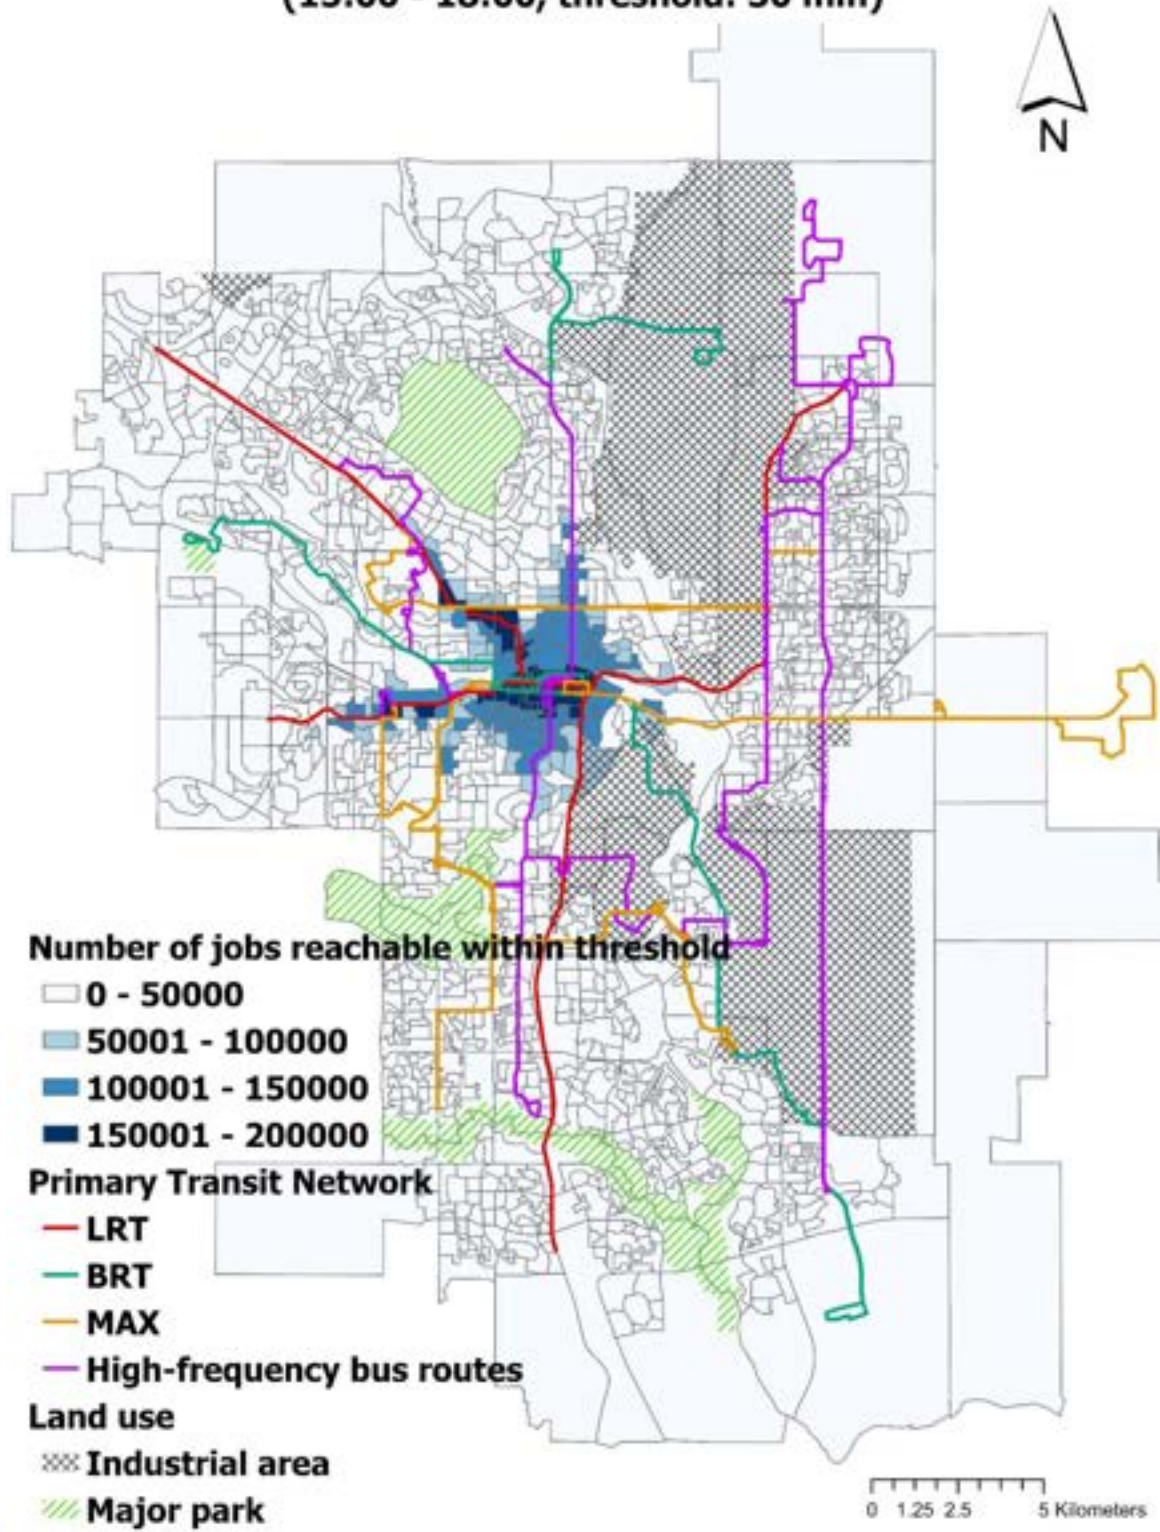

Figure 19. Transit-based job accessibility during 15:00-18:00 with different time thresholds: 30 min.
