**New Member and Chapter Dues:** This fee is all-inclusive\* for semester membership. This is used to budget for activities such as Chapter retreat, New Member retreat, chapter meals, recruitment, sisterhood events, and more.

- This fee also includes the local Panhellenic fee of \$7 per member. All members of the Greek community must pay this fee per semester.

**Badge Fee:** This is a one-time fee to purchase the chapter badge that will be received after initiation into the chapter. (This amount will be adjusted to account for shipping of the badges.)

**National Fees:** We send this fee directly to our National Headquarters for the new member handbook and initiation memorabilia.

**Facility Operations Fee:** This covers all expenses for the house operations including the facility itself, utilities, internet, cleaning supplies, and house cleaning.

**Payment Plan:** All members have the option to request a payment plan at the beginning of the semester. As a new member, you may pay in two equal installments. The first bill goes out 14 days after joining the chapter, and new members must have 50% of dues paid to be initiated.

\* These dues are subject to change.

There will be times throughout the semester that the members are billed additional monies. For example, they will have the opportunity to purchase a t-shirt for a certain event. These shirts are optional as well as purchasing other Alpha Chi merchandise. We also ask that our members pay a small fee for any additional guests that they bring to events such as formals and date parties.
