THE SOCIETY LIBRARY
Internship Program

GRAPHIC DESIGN & ART
THE PROJECT

The Society Library is a non-partisan, non-governmental 501(c)3 non-profit dedicated to the betterment of society through information access, preservation, and integrity.

By creating and deploying decentralized content analysis methods, we are gathering information and arguments from every corner of the web to be analyzed, sorted, mapped, and presented to the American public. Students accepted to this internship will be working on our Great American Debate program.

Students will have hands-on experience working on a transformative project which could potentially change mass communication strategies in the United States hereafter. In whatever capacity a student will be working, they will have the opportunity to make a marketable contribution.

We are starting with one of the most politically divisive and universally impactful topics facing the nation: CLIMATE CHANGE

YOUR OBJECTIVES

Art and visual storytelling are key components to the most powerful movements and revolutions! We are looking for students that want to turn their digital art into social ACTION!

Students will work with our social media and communications teams to produce digital posters, magazine covers, social media posts, and even memes! Students must be comfortable having their works possibly put online or shared within our network.
QUALIFICATIONS

- Access to adequate technology to complete the tasks (a dedicated computer - either personally or at the library/other shared space)
- Ability to participate in virtual meetings.
- Basic digital literacy skills.
- Access to and proficiency in Adobe Illustrator, Photoshop, Canva, or other web or software based digital art or design tools; or access to technology to digitize physical art is required. Students with basic digital literacy skills whom have a willingness to learn will be considered, but these students need to have a strong design and artistic background.

BENEFITS

- Perform as part of a remote/distributed work group.
- Gain experience in high demand disciplines and knowledge areas.
- Build your CV and professional network.

POSITION

- Internship is part time / unpaid
- 10 - 15 Hours / Week
- Regular virtual meetings required
- Contact your University/College to pursue this as a for-credit opportunity.

APPLY NOW

- Find this opportunity and others on Handshake using The Society Library’s ID Code 231289
- Upload your CV and examples of your work on Handshake and then finish your application on SocietyLibrary.com
