#### DECLARATION OF A SNOW EMERGENCY

**WHEREAS**, a winter storm event is hereby proclaimed effective at 7:00 PM on Friday January 28, 2022 and continuing for a period not to exceed 24 hours.

**The WINTER STORM EVENT** is being declared due to Winter Storm KENAN and weather conditions being forecasted and occurring such that the accumulation of snow, freezing rain, sleet, or ice on any roadway will render vehicle travel potentially hazardous and necessitate snow removal operation or such other remediation efforts to address a winter storm.

**NOW THEREFORE**, I, Gerard F. Siller, Supervisor of the Town of Shelter Island, do hereby issue this declaration of a winter storm event in the Town of Shelter Island, pursuant to Chapter 124 of the Code of the Town of Shelter Island ("Town Code") and invoke all provision of the same; and

**FURTHER**, I direct the following:

1. That, pursuant to Section 124-4 of the Town Code, no parking is permitted on either side of any roadway during this winter storm emergency declaration.
2. As they deem necessary, the Superintendent of Highways or Chief of Police may designate and declare certain highways and roads closed to vehicular travel except for emergency services and snow removal vehicles.
3. That all Town of Shelter Island Departments take whatever steps are necessary to protect life and property, and public infrastructure, and to perform other such emergency assistance as deemed necessary.

**FURTHER**, I direct that this order shall take effect at 7:00 PM on Friday January 28, 2022 and shall expire at 7:00 PM on Saturday January 29, 2022 unless otherwise extended or revoked.
