

# Shipping Policies & Restrictions

By placing an order for an alcoholic beverage through VinoShipper and PROJECT M WINES website, you formally represent that you are at least 21 years of age and that the intended recipient of the shipment is at least 21 years of age. Additionally, all shipments of alcoholic beverages within the United States require an adult signature at the time of delivery. No wines can be left on porches or doorsteps. Therefore, we recommend that a daytime/business address be provided for wine shipments.

## Shipping

Orders are shipped via the method you select at checkout. We prefer to ship them out early in the week. We are mindful of the time the wine will be in transit and take care to avoid having the wine sit in extreme temperatures.

Because we are a small operation, we will do our best to accommodate overnight orders, but it will be dependent on our availability to process them. If you need an order overnighted, we suggest you select the overnight shipping method but also send us a brief email to [info@projectmwines.com](mailto:info@projectmwines.com) to alert us to your needs.

We take caution in shipping our wine. Wines are very sensitive to cold and hot weather. Because of this, shipment schedules may be altered, at the last minute, due to temperature changes across the US.
