Are you a Domus Angel?

Happy Holiday Domus Style

The eleventh annual Holiday Mall is a special day for parents of Domus kids to “shop” in a loving, safe environment without feeling like they are being given a handout. And because every youth is known to the staff, the gifts match the desire. It’s a remarkable day and experience.

Stations: gift tables, pantry, runners, carriers, thank you card decorators, volunteer registration, wrapping, traffic, and café

• Please: bring all the BIG clothing store shopping or Ikea type bags you can spare. We run out by middle of the day – a hardship for our families.

• A nonperishable everyday food item or two for the pantry (canned fruit, oatmeal, soups, mac & cheese, etc.), fruit, or a homemade sweet or savory treat for the café is much appreciated.

• Enter the building at the rear cafeteria door off the parking lot on Frank Street. Parking is tight. Look for parking helpers.

• Check in at the Volunteer Registration table.

• If you speak Spanish or Haitian Creole, let me know.
