New Beginnings for students

Although the Trailblazers Academy Board had to make the very difficult decision this summer to close the school due to the lack of necessary funding, we are committed to helping the students transition to their new schools. Family Advocates are remaining through October to help students adapt to their new schools, and two school professionals will remain on call for students and families for the first year. Recently students, families, and staff were able to celebrate their time together at an Ice Cream Social where students were given commemorative sweatshirts, and students connected with their classmates who are going to the same school as they are. Domus will continue to serve the most vulnerable young people in our community through a dozen other school, out-of-school, and juvenile justice programs throughout Stamford and in Hartford and Bridgeport.

Domus NINER returns Sept. 22

There will be lunges and burpees as always with the 499-yard swim to start and the .99-mile run to finish this fun and competitive race. New this year is the Cross Fit Cup which will be awarded to the gym with the most athletes participating. Once again at the beautiful Cove Island Park in Stamford, we will have fun activities for kids including the popular Kids’ NINER immediately following the adult race. For more info and to register click here. Sponsorships and lots of volunteer opportunities are also available.

A Golfer's Favorite: Annual Golf Outing at Country Club of Fairfield

Don't miss it on October 3rd! One of the highest rated courses in Connecticut, the Country Club of Fairfield combines a links-style golf course with picturesque views of Long Island Sound and the village of Southport. Designed by Seth Raynor, the course opened in 1914 and has hosted numerous prestigious events, including the Connecticut Open and the Met PGA. Don't wait to sign up for this sell-out event. Great thanks to our Premier Event Sponsor, Eaton Partners. Foursomes include hearty lunch, evening reception with open bar, goodie bag including golf attire, on-course refreshments, and hole signage. Click here for registration and sponsorship information.
