A Joyous Holiday Season!

Thanks to hundreds of volunteers and supporters, we were again able to ensure that the families Domus serves had Christmas presents and food for their celebrations. You championed gift drives, you adopted Angel Families (135 of them!), you volunteered at the holiday mall (helping over 300 families), and you picked up extra sweatshirts, towels, and socks as you shopped for your own family. Every year, we rely on your kindness and generosity, and you never let us down. Thank you for always keeping the young people of Domus in your hearts.

Gala 2020: Save the Date

We hope you'll join us May 9th at the Tokeneke Club in Darien for our annual gala to raise funds for the vital services we provide kids and their families. You can count on us to throw a fantastic party: dancing to the best tunes, eating delicious fare, and always a surprise or two. To ensure you're on the gala mailing list, email Gisela after you pencil in the date.
On the Road to Self-sufficiency

We work directly with Stamford young people coming out of prison who are eager to come home, reconnect, and get jobs so they can be independent. You probably know they leave prison with nothing, which can make starting over even harder. Can you help ensure they are ready to tackle this big effort? Donations of any of the following go directly into the hands of these young people (mostly young men), taking a few things off the list of worries they have. Thank you for helping them get a fresh start.

- Hygiene products (deodorant, soap, shampoo, body lotion, combs, nail kits, etc.)
- Men's socks (athletic and dress)
- Men's wallets
- Men's winter hats and gloves
- Bath towels and washcloths
