

## ZINCALUME<sup>®</sup> STEEL WARRANTY

Steelscape, Inc. warrants to Buyer that Steelscape's hot dipped ZINCALUME aluminum-zinc alloy coated steel sheet, sold for use as painted, unpainted or resin-coated roofing and siding panels or for use in rainwater applications, if erected within Continental North America or in another location **pre-approved** by Steelscape, will not rupture, fail structurally or perforate within a period of twenty-five (25) years and six (6) months after shipment from Steelscape due to exposure to normal atmospheric corrosion.

This warranty applies to all categories of product with a metallic coating class of AZ50 or heavier as designated by ASTM specification A792/A792M.

This warranty **does not apply** to ZINCALUME steel sheets exposed at any time to corrosive or aggressive atmospheric conditions, including but not limited to the following:

- Areas subject to saltwater marine atmospheres or to constant spraying of either salt or fresh water.
- Areas subject to fallout or exposure to corrosive fumes, ash, cement dust or animal waste.
- Areas subject to water run-off from lead or copper flashings or areas in metallic contact with lead or copper.
- Conditions or circumstances where corrosive fumes or condensates are generated or released inside the building.
- Areas sheltered from periodic washing by natural rainfall or man-made fresh water rinse.
- Areas subject to direct contact or run-off from CCA-treated lumber (outdoor wood) or fire retardant impregnated or treated wood shakes or siding.

This warranty **does not apply** in the event of the following:

- Bends less than 2T for a sheet thickness of 0.0299" and thinner and bends less than 4T for a sheet thickness of 0.0300" and thicker.
- Slopes of the roof, or any sections of the roof flatter than 1/4": 12."
- Mechanical, chemical or other damage sustained during shipment, storage, forming, and fabrication or during and after installation.
- Damage caused to the metallic coating or sheet by severe reverse bending, alternate compression and tension, improper roll forming, scouring or cleaning.
- Failure to remove debris from or provide for free drainage of water, including internal condensation from overlaps and all other surfaces of the sheets or panels.
- Deterioration of the panels caused by contact with green and/or wet lumber or wet storage stain caused by water damage and/or condensation.
- Presence of damp insulation and/or other corrosive materials in contact with or in close proximity to the panel.

This warranty **does not apply** in the event of deterioration to panels caused directly or indirectly by panel contact with fasteners and sealants. Responsibility for selection of suitable long-lasting fasteners and sealants to be used with ZINCALUME steel roofing and siding panels, or in rainwater applications rests solely with the Buyer. Steelscape will have information available to the Buyer to aid in selection of suitable products. However, the information will not constitute a warranty of performance under any conditions.

This warranty is subject to the stipulations, limitations and conditions listed below:

1. Steelscape's liability for breach of this warranty shall be limited exclusively to the cost of either repairing non-conforming panels or, at Steelscape's sole option, of furnishing sufficient sheet product, FOB Buyer's plant, to enable Buyer to fabricate replacement panels for the non-conforming panels.
2. Steelscape shall not in any event be liable for the cost of labor expended by others on any non-conforming sheet or for any special, indirect or consequential damages to anyone by reason of the fact that such panels shall have been non-conforming.
3. Claims must be promptly reported in writing to Steelscape by the Buyer and Steelscape shall be given a reasonable opportunity to inspect the panels claimed to be non-conforming. Adequate identification of the material involved in the claim, including date of installation, Steelscape order number, coil number, invoice number and the Buyer must establish date of shipment.
4. Buyer shall exercise diligence in the inspection of sheets as received from Steelscape so as to mitigate repair or replacement.
5. Steelscape extends this warranty solely to the Buyer. This warranty is non-transferable and non-assignable.
6. Steelscape reserves the right to terminate or amend this warranty at any time (*except as to orders already accepted*) upon giving written notice.
7. This warranty is intended by the parties to be a final, complete and exclusive statement of the agreement and is part of the contract for the purchase of ZINCALUME steel sheet, and all prior contemporaneous oral or written statements are hereby excluded.
8. This limited warranty shall be governed by and interpreted in accordance with the laws of the State of California.

EXCEPT AS SET FORTH HEREIN, STEELSCAPE MAKES NO OTHER WARRANTIES WITH RESPECT TO THE PRODUCT, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
