School Food Advisory Board Meeting #1

Date: March 14, 2018; 5:30pm – 7:30pm  
Location: Dunbar High School, 101 N Street NW, Washington, DC 20001

The School Food Advisory Board is co-convened by the DCPS Food and Nutrition Services and DC Greens. The meetings provide a collaborative space for DCPS Food and Nutrition Services leadership to share updates and receive feedback from members of the school community including parents, students, food service personnel, teachers and non-profit partners. By working together, we can continue enhancing our school meals program to ensure that food served is tasty, nutritious, and culturally relevant.

* Dinner will be provided by SodexoMAGIC. *
