School Food Advisory Board Meeting #6

Date:       June 3, 2019; 5:30pm – 7:30pm
Location:   Theodore Roosevelt High School, 4301 13th St NW, Washington, DC 20011

The School Food Advisory Board is co-convened by DCPS Food and Nutrition Services and DC Greens. The meetings provide a collaborative space for DCPS Food and Nutrition Services leadership and their food service providers (DC Central Kitchen and SodexoMAGIC) to share updates and receive feedback from members of the school community including parents, students, food service personnel, teachers and non-profit partners. By working together, we can continue enhancing our school meals program to ensure that food served is tasty, nutritious, and culturally relevant.

* Dinner will be provided by SodexoMAGIC. *

Agenda:

I.  5:30 – 6:00pm Dinner, Tabling, Networking

II. 6:00 – 6:10pm Welcome, Community Norms and Ice Breaker

III. 6:10 – 6:50pm Good Food Purchasing Program Presentation by the Center for Good Food Purchasing and DCPS Food and Nutrition Services

This portion of the meeting will focus on DCPS's adoption of the Good Food Purchasing Program (GFPP)! The GFPP supports large public institutions' food purchasing in five areas: local economies, environmental sustainability, valued workforce, animal welfare and nutrition. During this portion of the meeting, attendees will learn more about the GFPP and how DCPS scored on their baseline assessment. DCPS is only the 9th school district, and the first on the East Coast to adopt these standards, and the Food and Nutrition Services team wants to make sure that they respond to the baseline assessment in a way that is in line with community values and priorities. This meeting will be your best chance to provide input on this process in its earliest stages.

IV.  6:50 – 7:05pm Small Group Reflections and Discussion

V.  7:05 – 7:30pm Large Group Q&A with Expert Panel
