Dungeons and Dragons

Dungeons and Dragons is a mix of communal storytelling and a board game. Each week players continue a narrative developed by the Dungeon Master, in our case the DMs are student leaders. D&D is quite successful in our library, and new players are coming in all the time! To help new players learn we ask the first D&D session you play at the library to be Dustin's One Shot, which is held once a month. This is the new entry point for playing D&D at the library!

Dustin's D&D One Shot

Dustin weaves a tale of action and adventure as the Dungeon Master for a special one-time event of D&D. All are welcome to play! This will be an excellent outing for first time players to learn about dice and the character sheet!

Coding Club

Focusing on the creation and digital manipulation of online media, Coding Club offers basic programming ideas in fun packages. The first two weeks of June we will be building our own games of PONG!

Graphic Novel Book Club

The Corner of Requirement is now hosting a graphic novel club! This month we will be reading ASSASSINATION CLASSROOM! Come in and grab a copy from the Youth Circulation Desk!

Youth Advisory Board

The Youth Advisory Board is the Student Council of the library! You can receive community service hours for these laid back meetings and tell Dustin what programs you want the library to host! This board also votes on any money earned by young adult fundraising!

SUMMERWEEN

Jack-o'-Melon Carving, Spooky Skeletons, Costumes and Candy! “Summerween isn’t about candy or costumes or even scaring people. Its a day when the whole family can get together in one place and celebrate what really matters, Pure Evil!”

Monday Marvel Movie Matinee
Mania March (Not) Madness
June 3– Thor: Ragnarok
June 10– Guardians of the Galaxy
June 17- Black Panther
June 24- Spider-man

OC Drawing and Story Night

Collaboration is encouraged as we draw characters and write their stories. Many students bring their sketchbooks or stories they are currently working on!
