The applicant is responsible for submitting all materials to your career counselor, **by April 29**. Incomplete applications will not be evaluated. This application becomes complete and valid only when all of the following materials have been received:

- This application completed
- School representative must verify applicant's Un-weighted GPA written above.
- One letter of recommendation from a peer.
- A copy of documented and confirmed 60 volunteer hours. Copy must be signed by a school representative.
- An essay detailing what led you on your current path in life, especially in regards to your educational and career goals. We want to get to know you. Our foundation was started to honor the memory of our son who passed away. He was unable to fulfill his dreams, so we want to read about your dreams, and what led you to them.
