Residential Advocate (RA)

Organization
The mission of Restore Corps is to eradicate human trafficking by empowering survivors, equipping communities & seeking justice through systemic change. Every team member of Restore Corps is expected to own all three prongs of the organizational mission.

We are a Christian, faith-based organization with a focus on professional excellence.

Position
Reporting to the Residential Manager, the Residential Advocate (RA) will primarily work at Blossom House and other Restore Corps’ residential services. Blossom House is a 12 month, long term residential program for victims of trafficking over the age of eighteen. Survivors receive supportive services from Restore Corps including: case management, trauma therapy, coordination of services, soft skills job training, and more.

The Residential Advocate candidate must possess strong organizational and group leadership abilities, have work experience in the areas of human services preferably in the areas of domestic violence and/or sexual assault services; candidates with experience working in residential treatment settings are preferred. The candidate must demonstrate stability in personal presentation and professional relationships. This position requires, at a minimum, a high school diploma or equivalency and possess the ability to successfully complete required domestic violence/sexual assault required training. This position will work in tandem with other staff on the Survivor Services Team of Restore Corps and Blossom House.

The work of aftercare is diverse and complex, including a broad range of activities and frequently changing conditions, situations and problems. The RA must be able to analyze problems and make prudent decisions while interpreting a variety of factors, problems and alternative methods and procedures, and know when to bring in counsel from their supervisor.

The RA position will include evening, weekend and holiday hours as needed for 24-hour, 365 day staff coverage for services to human trafficking survivors. The Residential Advocate (RA) must be willing and able to work in a trauma-informed, strengths-based culture and to make good contextualized decisions.
