Jump start your career in outreach and government relations! Shelby County Office of Community Engagement and Outreach is looking for people to join out Street Team, a group of field organizers who will spread the word about social services available to residents in need of support.

The Street Team is responsible for organizing efforts, implementing strategy, and executing the distribution of the outreach message and materials. Field organizers will go out into target communities throughout Shelby County, primarily the city of Memphis, in order to deliver outreach materials pertaining to the multitude of services offered by Shelby County Government’s Division of Community Services. This campaign is primarily a door to door effort but may also include phone bank contacts and community events. This means you will be interacting with residents on a day to day basis either in person or remotely. The ideal Field Organizer is high energy, friendly, articulate, personable, and self-motivated. Must be able to walk at a low to moderate pace for extended periods of time, remaining positive and energetic. All Field Organizers must be willing to observe covid 19 precautions and procedures when making contact with residents and co-workers. Also, must be willing to work weekends. This is a part time position at 20hrs weekly and $15 an hour. If this sounds like you, then this could be an exciting and worthwhile opportunity to gain experience, cultivate people skills, and grow your resume. This is a durational position expected to end in September 2022 but may be extended based on need.

Interested applicants should send their resume to Janet Lo at Janet.Lo@shelbycountytn.gov.
