Mission and Description of the Metal Museum
The Metal Museum is the only museum of its kind in the country dedicated to preserving, promoting and advancing the art and craft of fine metalwork. The Museum engages the metals community and the surrounding region through exhibitions, collections, studio practice and community education and engagement. The permanent collection and exhibition program reflect a wide range and mixture of metalsmithing, including ferrous and nonferrous metals, hollowware, jewelry and architectural elements. With its unique focus on artwork and fine crafts made in metal, the Metal Museum helps initiate and promote dialogue and understanding of the field and its relevance in our modern culture.
