We are currently accepting resumes for the following position:

**Family Connector**

Agape is seeking a **Family Connectors** for all 3 areas we serve Hickory Hill, Raleigh/Frayser, and/or Whitehaven areas. As a poverty-reduction initiative, Agape, through its place-based strategy, Powerlines Community Network (PCN), implements a Two Generation paradigm. The Connector works with Powerlines’ partner collaborative efforts in their designated PCN communities for a place-based, collective impact community transformation. The Family Connector provides meaningful interventions for families that are seeking to take steps toward getting out of poverty. The Family Connector will build relationships with the families on their caseload, including the children and the community in which they serve. The Family Connector is responsible for assessing the family’s history and their needs to design interventions that are both meaningful and appropriate, provide trauma-informed and resilience-building services, and to collect the required data. Family Connectors are responsible for facilitating efforts to address the health and welfare of children and families served, appropriately addressing needs, i.e., medical, health, spiritual, emotional, social, employment, educational/training, etc.

**Education & Experience Required:**
Master’s degree in Social Work or related field from an accredited college or university, or the equivalent combination of education, training, and the experience which provides the required knowledge, skills, and abilities for this position with at least 2 years of relevant experience. The ideal candidate must have a demonstrated ability to work with a wide range of people, including children, and provide culturally competent service delivery. Demonstrated experience providing case management for a caseload of clients. Knowledge about community development and a passion for helping others. Must have excellent communication skills, both written and verbal, demonstrated computer proficiency, including the use of Microsoft Office Suite and other software applications essential to this position. Should possess outstanding organizational and management skills and have proven ability as a problem solver and self-starter. Understanding of data collection procedures and the aptitude for using data to inform decisions and processes. Must have an automobile available for business use and maintain a current drivers license and current auto insurance with acceptable levels of coverage. Will be required to work a flexible schedule to include evenings and weekends as needed. The candidate must be willing to engage in Agape’s Performance Quality and Improvement (also known as Continuous Quality Improvement) standards of quality & excellence.

**Minimum Salary**: $42,500
