**Job Title:** Director of Development and Communications

**The Position Overview:** At ALLMemphis, our strength is the efficiency and expertise with which we deliver leading-edge training, mentorship, and coaching in foundational literacy to build teacher talent and student reading outcomes in our community. We’re proud to set the standard for success in our field and we have an aggressive and exciting five-year strategic plan to grow our reach.

To help us continue our growth, we’re seeking a Director of Development and Communication (DDC) to join our highly talented team and help build our financial future. As an ideal candidate, you have strong communication skills, a passion for learning, a desire to cultivate new and existing relationships, and excitement for building new systems.

You will work closely with the Executive Director (ED) and leadership team to develop and implement a strategy for corporate and major gift relationships to meet the goals of the organization. The primary objective is to increase financial donations to ALLMemphis and develop long-term relationships built on a firm understanding of donors’ interests, passions, and values.

You will also work closely with our PR team to build and manage the brand identity and all aspects of marketing and communications across our service area to raise awareness of ALLMemphis through the Mid-South and beyond. A successful candidate must be passionate about our mission and the families we serve. See [our website](http://www.allmemphis.org) for additional information!

**Responsibilities and Essential Functions**

**Development and Fundraising**

*Summary:* Build and implement a $3 million annual development program. Identify and secure individual, corporate, foundation, and government partners, develop target list of prospects, and create customized engagement, solicitation, and stewardship plans for donors with a focus on major gifts. Understand the marketing and business needs of corporations and foundations and develop and implement a revenue generation strategy that addresses these needs. This includes, but is not limited to:
