Director of Finance

Agency - SRVS

Reporting to the Executive Director, the Director of Finance is a key member of the executive team responsible for managing the organization's finances, including financial planning, management of financial risks, record-keeping, analysis of data, analysis of industry trends, and financial reporting. An experienced financial professional, the Director of Finance operates as the fiscal leader executing the policies and procedures, evaluating outcomes, and implementing performance improvement activities. The Director of Finance provides leadership, oversight, and direction to fulfill the mission, vision, policies, and strategic goals necessary for the advancement of the organization, including tracking cash flow, financial planning, financial strengths, and weaknesses of the organization, proposing corrective actions, and oversight of utilization and quality management.

Requirements:

Bachelor's or master's degree from an accredited college or university in finance, accounting, economics or another business-related field is required.

Minimum 10 years' experience with a preference for the health care industry.

Experience in a managed care environment is a plus.

Preferred Certification: Certified Public Accountant (CPA), Chartered Financial Analyst (CFA), or equivalent professional certification.

REQUIRED SKILLS:

* Ability to deal with diverse populations
* Ability to route patient's problems and concerns to appropriate sources
* Ability to stay within boundaries of the role and function of position
* Critical thinking skills
* Organizational skills
* Communication skills
* Ability to evaluate and comprehend techniques, procedures and changes to meet variable situations
* Able to effectively communicate with supervisors and directors to improve his/her skills and adapt to Agency culture and policies.

Base Salary: $95,000
