TITLE: Wellness Coordinator, Full-Time, Grant-funded
$25.00 per hour

RESPONSIBLE TO: Director/Coordinator Domestic Violence Services

JOB DESCRIPTION:
Works to mitigate the disproportionate health impacts that DV victims face through culturally-sensitive care coordination. In light of horrific COVID-19 morbidity divisions by race, this coordinator will be able to assist in making sure that clients are seamlessly referred to health services, as well as work to increase vaccination rates and reduce transmission of the virus. Major goals include removing vaccine barriers, standardizing the documentation of testing/cleaning protocols, organizing wellness supports, providing quality community information, & building relationships with providers.

Childcare. The Wellness position will use a data-informed approach to plan broad health-related coordination.

Will lead planning & implementation of a robust COVID-19 testing program, procure testing supplies, train providers and other staff on COVID-19 procedures, report data to HHS on testing, track grant outcomes. Collaborates with other staff on virtual outreach to community members for education/assistance on where to get the COVID-19 vaccine and boosters, provides information to clients (community-based and sheltered) on COVID-19 vaccine access. Manages budgets and builds relationships with traditional and novel partners.

Bachelor’s degree in a health-related field preferred, experience with COVID-19 programming a plus. May undergo background screenings. Understanding of client-centered work and trauma-informed care is helpful. Requires occasional work at night and on weekends. Must demonstrate commitment to the mission of the YWCA Greater Memphis.
