BREW OF THE MONTH

ROGGENBIER

STYLE: RYE BEER

STATS: 5.0% ABV 26.0 IBU

Perfect for gearing up of the fall season! The rye malt used presents a spicy undertone that adds complexity. Hops in this beer have a peppery aroma. All of that is tied together with a smooth, yet sweet malt bill. This is a no frills good old fashion drinkable beer. Try pairing this delicious brew with a pastrami sandwich or some fresh vegetable stew.
