Welcome to your New Membership Package

Your membership includes the following programs:

- **The Flyer Program.** If you want to distribute flyers about your business, bring some to the Chamber of Commerce office. We will insert them into our folders and distribute them throughout the year. *Free to our members.*
- **E-mail Blast Program.** If you send us a flyer via e-mail, we will distribute it to our membership. *Free to our members.*
- **Monthly Networking Meetings.** We meet at night at a local restaurant or business and invite a guest speaker. We network and exchange our business cards, and we learn what each business is about and how we can help each other. Attending is optional. Love to see you there.
- ***The Banner Program.** The banners are hanging on utility poles throughout the Village of Port Chester. They have a distinctive logo and the name and address of the participating merchant.
- ***Grand Opening or Grand Reopening Program.** We invite our members, elected officials and the local newspaper, supply a banner for your event and advertise in the Westmore News.
- **Holiday Season Free Parking Program.** In partnership with the Village of Port Chester, we offer free downtown parking for your customers during the Holiday Season.
- **New Programs.** These are being developed all the time with input from our membership.
- **Personal Assistance.** Contact us at any time. We welcome the opportunity to assist you.
