Key Features of the NHEEMC

What are the Benefits of participating in the NHEEMC?

- Scholarships to help defray the cost of course tuition
- Free textbook for the online PD course
- Free access to on-site coaching and PD website
- Free registration for the Early Childhood STEM conference

For more information on the NHEEMC or to register for the online course, please contact:

Kiki Donis-Wahl, M.Ed.
NHEEMC Project Coordinator
Telephone: (603) 862-2676; E-mail: kiki.donis-wahl@unh.edu

Overview

Online PD Course at UNH

A 6-week online course, **Math with Technology in Early Education** (EDUC 845, 2 cr.) is offered through UNH. **Topics** include:

- Designing active, engaging math curriculum;
- Using technology to support project-based learning;
- Building early social emotional skills to aid active math in the classroom;
- Assessing student competency; and
- Supporting struggling learners in early math

On-Site Coaching

Free on-site coaching and feedback on teaching videos.

PD Website

Up-to-date research on early STEM, book clubs, discussion boards, downloadable PD resources, space to share lesson plans, and more!

Early Childhood STEM Conference

Keynote speaker session, PD sessions by experts in early STEM, Presentations by preK-3 educators, and Networking Opportunity with other NHEEMC participants!

Free Parking Pass and Child Care Provided!
