Join the Massachusetts Afterschool Partnership and VentureLab on April 27th for a day of entrepreneurship workshops and trainings to help you inspire your students to:

+ Be creative, innovative problem-solvers
+ Take calculated risks, redefining failure as a learning opportunity
+ Be prepared for college and career success
+ Effectively collaborate and communicate

WHAT YOU’LL GAIN

By attending a VentureLab training at this year’s Entrepreneurship Conference, you’ll receive:

+ Interactive, afterschool entrepreneurship program to recruit and retain students
+ Complete and easy-to-implement lessons plans for frontline staff
+ State approved Continuing Education Units (CEU)

“Loved how interactive the training was! Diving into the curriculum was helpful, and I’m excited to implement it with kids! ”

-VentureLab training attendee and frontline staff

Register for the conference today by contacting the Massachusetts Afterschool Program. Learn more about entrepreneurship education at venturelab.org!
