Treasurer's Report:

The quarterly town allocation has arrived.

The draft budget will be presented to the Selectboard on December 10th. We reviewed responses to Paul's questions about cash reserves, budget percentage increases and reviews/audits.

Proposed budget includes 7% increase in expenses ($279,142) and 7% increase in income (268,837). Noteworthy expense changes are adding 3-4 hours/week of youth programming and a 3% raise to salaries. These figures would result in a budget shortfall of $10,305 that we would make up with cash reserves.

Emily moved to approve the 2020 budget as presented. Marianna 2nd. Approved.

Sara gives the Friends a wish list twice a year for things outside our budget.

Marianna moved to approve. Brian 2nd. Approved.

Committee Reports:

None presented.

Directors Report:

Sara has been talking with Rachel Kring at HCRC about ways to collaborate. Alex Koncewicz will be leading the Thursday story time in order to free up staff time for other programming.

Sara collaborated with the Charlotte librarian to apply for a grant from the National Library of Medicine to provide iPads with mental health and lyme disease information. The grant was approved.
Received 7 submissions for the mural in the youth area. Sara will send a doodle poll to the Board members to convene a meeting to discuss the options.

The roof leak into the community room will be investigated by Efficiency Vermont.

Active shooter/threatening behavior training provided some information about how to de-escalate as well as specific methods for responding to aggressive behavior in the library space.
