

# Direct benefit of your BOMA Membership & Involvement?

*How about this one example:*

---

**BOMA Seattle King County saved  
owners and tenants of commercial real estate**

**13 cents per square foot**

**By preventing an increase in operating expenses in 2010 extending  
into 2011 and beyond by defeating efforts to apply the sales tax  
to janitorial services in Washington State.**

**That's 13 times the cost of your BOMA dues each year!**

---

*And this is just one example.*

**Where Value Is Built.**
