

STAMP SUBMITTAL FORM

Use this form if you do not want to email me images of your stamps, or if your stamps are unorganized (ie. can't all be scanned or photographed). Please read the shipping and packing instructions ([click here](#)) so your stamps will arrive in good condition. I prefer making a preliminary offer based on scans or photographs before you send the actual stamps, so you know the value of your stamps before paying for shipping. If you email images and my preliminary offer is \$800 or more, I pay all shipping costs and will email you a prepaid FedEx Label for you to ship your stamps to me.

I am also happy to make an offer based on assessing your actual stamps. Enclose this form with your stamps. Please let me know by email jon@chinesestampbuyer.com.
