In the 2010-2011 grant cycle, the Elmina B. Sewall Foundation awarded $8,014,560 to 115 organizations. $564,000 was allocated to organizations benefitting animal welfare; $5,332,410 was directed to organizations serving the environment; and $2,118,150 was directed toward those serving human well-being.

Please note that grants awarded do not necessarily reflect fit for future funding. If you are seeking funding from the Foundation carefully review our Grant Programs to help determine if your work aligns with the Foundation’s current areas of interest.
