Global Action for
International Women’s Day 2020
By WATAC (Women and the Australian Church)

We invite you to join WATAC in this global action as we gather together and pray for equality and full participation of women in the Catholic Church. We will be praying the Fahr Monastery Prayer for Equality in solidarity with other groups and individuals across the world. Wear white, invite your friends and bring a candle as a symbol of the light women spread across the Catholic Church.
