Global Action for International Women’s Day 2020

By Radio Veritas and SACBC Migrants and Refugees Office

We invite you to join Radio Veritas and SACBC Migrants and Refugees Office in this global action as we gather together and look at the Dignity and Equality of women in the Catholic Church. As African Women, many of us have migrated from our homes in pursuit of a better life, and some of us have also been or continue to be victims of abuse/Femicide.

Join us on Sunday 08th March – International Women’s Day and share our stories of ‘Migration and Femicide’, our call for Dignity and Equality of women in the Catholic Church. We will also recite the Fahr Monastery Prayer for Equality, in solidarity with other groups and individuals across the world. If possible bring a candle as a symbol of the light women spread across the Catholic Church.

Date: Sunday 8 March 2020

Time: 09:30am

Venue: Cathedral of Christ the King Hall, 186 Nugget St, Doornfontein, Johannesburg, 2198
