UNDERGRADUATE PORTFOLIOS
https://www.scad.edu/admission/portfolio-and-writing-guidelines/undergraduate-portfolios
Freshman and transfer portfolio submissions are accepted for achievement honors scholarship consideration and do not adversely affect the likelihood of an applicant's enrollment decision. To be considered for achievement honors scholarships, applicants must submit a résumé/list of achievements in addition to submitting an undergraduate portfolio in one of the following categories to enhance their file: visual art, time-based media, writing, equestrian or performing arts.

All portfolio types should showcase an applicant's best work, presented professionally. Portfolio submissions are not required to reflect an applicant's intended major. However, portfolios should demonstrate the applicant's interest and aptitude for advanced study, which will enhance his or her potential for success at SCAD. Portfolios are submitted via SlideRoom.

AUDITION GUIDELINES for Performing Arts Students
https://www.scad.edu/admission/portfolio-and-writing-guidelines/undergraduate-portfolios
In lieu of a live audition, applicants may submit via SlideRoom a 4-minute taped audition. The audition may include one of the following: two contrasting monologues, monologue and vocal performance, or monologue and dance performance. A performance résumé must accompany the audition.
