FAQ Fall 2020

Is it too late to apply for Fall 2020?

The University of Alabama in Huntsville (UAH) offers rolling admissions, we do not have an admissions application deadline. We will review applications until the Fall term begins August 19, 2020. The earlier you apply, the better opportunities for scholarships and course schedules. For freshman, Merit Tuition Scholarships, which are based on high school GPA and test scores, are automatically awarded at the time of admission.

How does a prospective student apply?

Go to uah.edu/apply. Each applicant is evaluated based on individual merit and demonstrated success in a rigorous academic environment. High school coursework, grade point average, and ACT/SAT scores are weighed heavily; however, these criteria do not constitute the entire foundation for an admission decision. An applicant with a grade point average of 2.9 and a composite score of 20 on the ACT or an equivalent SAT score, for example, is considered a strong candidate for admission. UAH does not require letters of recommendation or an essay for admission consideration. If you are interested in being a music major or minor, after successfully applying to UAH you will complete an audition. For audition information, please visit uah.edu/music.
