Do you have pre-college summer programs? If so, for what grades? **The Department of Music runs a year-round Community School of Music. In normal years, we also run a Young Musicians’ Camp.** Information regarding all music-related programs can be found here: [https://www.montevallo.edu/music/](https://www.montevallo.edu/music/)

Do you have scholarships still available? **Music scholarships are still available and are talent-based awards that are competitive.** We are fortunate to have substantial scholarship funding available to assist music majors with their college expenses. All music scholarships are talent-based and are awarded by audition. Prospective high school students should audition for acceptance into Music in their senior year, preferably during one of the scholarship audition dates in the spring so that you may be considered for a music scholarship.

Audition dates and details are posted on our [auditions page](https://www.montevallo.edu/music/auditions/). Scholarship amounts vary, and most scholarships are renewable. Music scholarships may be combined with academic scholarships, so long as the total award does not exceed the cost of attending the University.

In addition, talented non-majors are encouraged to join our instrumental ensembles and may audition for band scholarships. See our [auditions page](https://www.montevallo.edu/music/auditions/) for more information.

Are there Portfolio or Performing Arts audition scholarships available, and if so, how does one apply? **Potential music majors must audition for acceptance into a music program. The audition is the application for all music scholarship awards.** [https://www.montevallo.edu/music/auditions/](https://www.montevallo.edu/music/auditions/)

Does your institution offer virtual or Zoom appointments to visit your University? **The Department of Music is happy to video conference with any student interested in majoring in music. Send any inquiries to music@montevallo.edu**
