BEST WAYS TO SELL

Scouts can participate in the sale using several methods. Whatever methods your Scouts choose, you have the brand recognition of Scouting to help sell product and support the unit’s year-round programs.

SHOW AND SELL (STOREFRONT SALES)

Site Sales are where a group of Scouts and leaders sell popcorn in front of a church, store or other business. Statistics show that customers, when presented with a variety of products in front of them, are more likely to purchase a less expensive option. However, this is a great opportunity to promote Scouting to the community through popcorn sales.

SHOW AND DELIVER/DOOR-TO-DOOR (WAGON SALES)

Involves the Scout soliciting orders at the customer’s residence. This can also be taken through neighborhoods but is also great for parent’s co-workers. This method is preferred for neighborhoods close to home. Product is brought along (in wagon or vehicle) or delivered at a later date. On-line business cards or door hangers can also be utilized and left behind if no one is home. It is the unit’s discretion whether money is collected up front or upon delivery.

ONLINE SALES

Scouts set up their online account by downloading the Trail’s End App or at www.trails-end.com and share their fundraising page via email, social media, and text message to out-of-town friends and family. Customers pay securely online and the product is shipped directly to them.

AMNESTY PERIOD
Between September 14TH and October 8TH units may return unwanted product (full cases only).

SHOW AND SELL RETURN
Units will be able to return up to 10% of the initial show and sell order by November 4th.

BEST PRACTICES FOR INVENTORY MANAGEMENT
• Utilize the Trail’s End Leader Portal to track and record product that was assigned and sold during show and sell and storefront selling.
• Subscribe to a time-based sales plan (i.e. we are halfway through the sale...have we sold at least half of our inventory).
• Check in with your Unit Serving Executive if you have an inventory challenge...too much or too little popcorn can usually find a home to another unit.
• Work toward zero returns so that every dollar of popcorn revenue provides a better program for our Scouts.

**TRANSFERRING UNIT**

Once the receiving unit has accepted the transfers, each unit’s invoice will be updated.

**WRAPPING UP THE SALE**

With the sale wrapping up in early November, be sure to leave a few extra days to collect unsold product and orders that need to be filled from your Scouts and prepare your final unit order.

- Collect and add together all popcorn orders from your Scouts.
- Use leftover popcorn from your show and sell order to fill take orders if possible.
- Use the Scout Tracking page in www.trails-end.com to track sales by Scout. This is how Trail’s End will verify how much Scouts sold for the distribution of Amazon.com Gift Cards.
- Place a final order in the Trail’s End system by Wednesday, November 6 at 5:00 PM.
- Pick up final popcorn order.
- Distribute popcorn immediately to Scouts for delivery and payment collection.
- Submit payment to the “Lake Erie Council, BSA.” The amount due will be the total sales less the unit’s commission - this will be on the statement.
- The Amazon.com Gift Cards will be delivered electronically to the Scout’s Trail’s End account approximately 7 days after submitting your Scout totals unless flagged for review.
- Hold a unit celebration for a job well-done--have Scouts bring what they bought on Amazon and thank the Scouts, parents, and leaders!
- Hold a session to discuss sale pros and cons to improve next year.
