Every year millions of young people embark on new Scouting journeys. Each new experience teaches character development, confidence, and offers endless possibilities. Scout's Own products fuel these fun adventures for Scouts and their families across the United States. You can feel good that when you choose one of Scout's Own products, you’re funding discovery, outdoor experiences, and are helping to create tomorrow's leaders!

Scout's Own 100% PURE maple syrup is produced each year by tapping thousands of maple trees at Beaumont Scout Reservation in Northern Ohio where sap consistency ranks among the top maple-producing states in the country. Following in a long history that dates back to our Native American ancestors, Scouts take part in learning about the process of producing maple syrup through specialized programs. Then, they put their entrepreneurial skills to work by selling Scout's Own to fund their own Scouting adventures. Now bringing a taste of camp home has never been easier thanks to Scout’s Own Maple Syrup, Scout’s Own Pancake Mix and Scout’s Own Cornbread and Muffin Mix. Whether you plan to cook your next culinary masterpiece over an open fire at camp or you think about those great memories on Sunday morning from your kitchen, Scout’s Own is enabling Scouts across the nation to explore their passions. Each bite brings back warm reminders of dutch ovens, family laughter, and life-long memories made possible only by Scouting!
