This year missionaries from Four Dioceses will be in our area: two from India, one from Africa and one from Malaysia. Money collected will be split evenly between these groups. In India, the government supplies no support for efforts like these. In Warandal India, they are evangelizing tribal villages, building chapels and schools, in particular for vocational training and for girls. The Irinjalakuda India Diocese had mission stations with schools, health centers, orphanages and churches. They now have barracks like shelters for the aged and the infirm of mind or body. Their needs are continued evangelization and food, drink and clothing.

**Additional Thoughts from of Saint Teresa of Calcutta:**

*“Joy is love, the normal result of a heart burning with love. Joy is a need and a physical power. Our lamp will be burning with sacrifices made out of love if we have joy.”*

**Tue 6/5 Memorial of Saint Boniface**

Hailing from England on the early 700's, he was called to missionary work his whole life. When “at home”, he had success within the Church. He was not always successful as a missionary. However, he is credited with doing a great deal to reform the clergy and the church in Germany and establishing many houses of prayer. He is the saint famous for cutting down "Donar's oak". Some say it was Thor's, some say it was Jupiter's, either way he started to chop it down and a wind; as if by miracle, blew it over. The pagan god did not strike him dead so people converted! At the age 80 he was martyred with 50+ others on a mission in Germany.

**Wed 6/6 Saint Nobert**

People had become complacent and there were heresies about the Blessed Sacrament. He first focused on reconciling these people with the Sacraments and with each other. Then he founded an Order to do the same. The breakthrough came when they all learned how limited they were and then, through praising God and devotion to the Eucharist, things happened. *“You will never enjoy the sweetness of a quiet prayer unless you shut your mind to all worldly desires and temporal affairs.”*

Watching Bishop Barron deliver “Religion and the Opening of the Mind” at Google HQ on YouTube.

Speaking of Bishop Barron, as good as his reflections, they may at times leave you wanting.

An extremely knowledgeable sage recommended a site where you can find much more on at least the Sunday readings- explore [www.Liturgy.SLU.EDU](http://www.Liturgy.SLU.EDU)
