- ***Lower Cost***
- ***Quicker Turnaround***

[www.transquip.com](http://www.transquip.com)

## Eliminate:-

- *Complexity*
- *Cost & Delays*
- *Risk*

## Process:-

- *Scope of work (lessor - shipper - repair facility)*
- *Engineering (new drawings)*
- *Regulatory (4-2 applications)*
- *All-inclusive Equipment selection (incl. detailed assembly instructions & test certificates)*
- *Tailored Shipments (full/partial shipments to meet workflow and mitigate long lead times)*
- *Continuous on-site support*

## Value:-

- *One Dynamic Project Management Team & One Part Number (lower costs, no delays & comprehensive supervision from start to completion)*
