I - Policy on Policy

1 Description

The purpose of these documents is to solidify the activities and policies of the University of British Columbia Engineering Undergraduate Society. The policies documented here are intended to accompany the Constitution of the University of British Columbia Engineering Undergraduate Society.

EUS Policy governs the activities of the Engineering Undergraduate Society from year to year. The procedures for amending these documents are set out in this Policy.

The Policy of the EUS shall be divided into three sections: The Policy Manual, Policy Guidebooks, and Policy Appendices. Each category shall have its own procedure for amendment.

2 The EUS Policy Manual

The documents which make up the EUS Policy Manual are the highest level documents which may be amended by the EUS Council. Each shall be self-contained and shall outline the high-level operational aspects of the EUS which are necessary for the Society to function, and which require Council oversight.

2.1 General

2.1.1 The Policy Manual is a supporting document to the EUS Constitution. No part of this Policy Manual may be interpreted in a sense contrary to the EUS Constitution.

2.1.2 No policy may be suspended except by two-thirds (2/3) vote of Council. When Council suspends a policy, such suspension must include a fixed period of time for the suspension. All policy suspensions shall expire at the Annual Council Transition Meeting.

2.1.3 Changes to the Policy Manual’s structure, numbering, and format, or the correction of typographical errors, are not considered policy amendments and require a simple majority vote by the Council for adoption.

2.2 Amendment Process

The Policy Manual may be amended through the following procedure:

2.2.1 The intention of a proposed change, including a brief preamble outlining the purpose of the addition or change, must be submitted to the President before the distribution of the Council agenda.
2.2.1.1 This change shall be in the form of a Mandate for the Governance Committee to modify the Policy Manual.

2.2.2 The Council shall vote on the proposed mandate, requiring a simple majority to send the mandate to the Governance Committee for drafting.

2.2.3 The Governance Committee shall meet within two weeks of the Council mandate to draft a proposed amendment to the Policy Manual in line with the mandate.

2.2.3.1 The completed amendment shall be submitted to the President for inclusion in the Council agenda.

2.2.4 Council shall conduct a discussion of the proposed Policy amendment. Amendments to the proposed changes can be made at any time during the discussion.

2.2.5 The Council may vote by two thirds (2/3) majority to adopt the changes, or by simple majority send the proposed changes back to the Governance Committee for redrafting.
