## On Tap

Available in 200ml Butchers or 355ml Standard.

**Please check the bar for our current range of tap beers.**

Four rotating taps. Generally Pilsner, Pale Ale, IPA, Dark/Sour

Our Standard glass is exactly halfway between a pot & a schooner or 5/8ths of a pint in the old money. There is no name for it except the schmiddy in NSWalanese. We could have gone for the Murray or the Echuca/Moama, but asking for a Stan works for us.
