SKY360

Standing over 600 feet above the downtown core, the Calgary Tower has been an icon in the city skyline for 40 years. Offering uncompromising views in every direction, visiting the tower has become a proud tradition for Calgarians and their guests.

Located at the top of the Calgary Tower, the city's only revolving restaurant offers more than just magnificent views of Calgary and the Rocky Mountains. This contemporary space is perfect for all of your corporate event needs - from group lunches to more formal, corporate events.
