

# WCMEW

Wisconsin Council on Medical Education and Workforce

WCMEW's mission is to ensure a healthcare workforce that meets the needs of Wisconsin citizens by convening a wide breadth of stakeholders to develop policies, inform the public, and bring attention to workforce opportunities and challenges.

## 10 Member Organizations

### Convening Organization

Quarterly Council meetings with discussion of policy and funding initiatives;  
2019 statewide workforce summit, and previous Events, on team-based care and innovative approaches to education and training

## Multidisciplinary Work Groups

### Exploring Care Delivery Changes

Monitoring issues in care delivery that impact workforce, such as telehealth, inter-professional collaboration, changes in clinician preferences, funding, and demographic trends

## Workforce Publications

### Data Analysis

Workforce reports provide data-driven projections for various care delivery scenarios, leading to far-reaching policy changes across Wisconsin

WCMEW welcomes discussion of workforce policies and initiatives from stakeholders across Wisconsin. Learn more and find WI healthcare resources at [www.wcmew.org](http://www.wcmew.org).
