The commentary for setting up single solar panels has to be brought to the Code Enforcer, whom at this time is still taking courses. The town will need to set up a local law for abandoning the panels in the future. A demolishing bond will have to be established for this. There will also be a glare factor put into place

Salt roof was discussed and Don is checking on bids.

Our lawyer, Brady Begeal will be taking a new position in his law firm, so we would like to welcome Robert McKertick who will be taking Bradys place.

Judy will discuss signage board with Jake

Heather Hodges will be Judys deputy clerk, so we would like to welcome Heather.

Benjamin adjourned at 7:31 and Zielewicz seconded

The next meeting will be August 8, 2017

Respectfully submitted
Judy Petrick, town clerk
