Comments

General
We see the most changes here because of how we plan on spending our money internally. Ella and Aleks proposed cuts to project spending to make room for improvements to the office, a new Keurig machine (or other coffee machine). For the coffee machine I’m budgeting for a more upscale one that will hopefully last us a while. Web services and advertising costs haven’t changed since our backend stack remains the same. The IT chairs might want to change that.

I personally think we could allocate more money for Senate projects. We are looking to spend significantly less than what we would traditionally have available given the overall budget. The budgets are typically split 55% Fall semester, 45% Spring semester.

Office
Nothing has changed here yet. Although we did talk about decreasing worker salaries in the future. Coffee and coffee supplies I estimated based on our Spring order, which we actually went through quite quickly so I increased it slightly.

Elections
These numbers are based on the past. However, I would not mind increasing the Elections budget for the sake of improving the elections experience.

Academics and CCA
Generally there are no large events for either committee in the Fall. However I budgeted some money in case either chair wants to hold an event.

Social
This is the budget for Lawnparties with the extra 5k included. Dean’s Date is pulled from previous years.

We are most likely only planning on doing 2 concert series this semester. Zedd is coming up and another one to be determined for November. The bus prices are pulled from last year.

USLC
Cost pulled from previous years.

Projects Board and Movies
These remain constant year to year.

Communications Committee Appointments

Committee Chair: Nicholas Horvath

Application and Selection Process:

- We had three members leave the team due to other commitments over the summer. Jia Ning Cheng, our Media Chair, is studying abroad this semester in Oxford. Lavinia Liang, one of our Chief Designers, was elected to the U-Council last spring, and Lyon William Aung, our other Chief Designer, is pursuing a chance to pioneer his own shoe line as a fashion designer. In filling their shoes, we took advantage of the chance to make some structural changes that we think will streamline our effectiveness. Namely, the social media duties of the Media Chair were absorbed into our Public Engagement team, and the Media Chair position was replaced with USG’s first official Photographer/Videographer.
